

SET-SIDE WITH CECELIA

Now you can personally get in on all the Partridge activity and fun as Danny's sister Cecelia Bonaduce, President of the Partridge Fan Club takes you right on the set each month!

"So that's what fudge tastes like!" ... You might think that's a child taking a first bite of it talking, but when you turn to look, you see that it's no other than **SUSAN DEY!** It seems that **SUSAN** is discovering this all-America delicacy for the first time.

cluding yours! **DAVID CASSIDY** was the only one on the set who didn't succumb to the treat. "Oh, come on, have a piece" you say. "It's good for you!" "Good for my what?" **DAVID** looks longingly at the fudge, but his willpower wins. You notice **DANNY** has chocolate

brand new maroon Mercedes-Benz! "I've only had it for a week, and somehow I got a scratch on it. I don't know how it happened," he says sadly. "Verrry Interesting!" he says in his famous Laugh-In voice and you both start to laugh.

THE PARTRIDGE MUSEUM

As you walk around the set, you suddenly get a funny feeling that you're at the Art Museum! There are statues and sculptures and modern art exhibits all over stage thirty.

DANNY is walking with you and he explains, "We need all this stuff for this week's show. The Partridge's go to the Art Museum," he stops and looks at a modern art picture. "I drew something like this last week and my teacher failed me," he laughs, "but I bet they'd hang it up at the Art Museum."

DAVID AND PARTRIDGE guest-star Arte Johnson take out some time to rap!

"I always thought it would taste like a brownie!" **SUSAN** tells you, as she takes another piece.

"Where did all this fudge come from?" you ask, taking a little piece yourself.

"**MRS. BONADUCE** brought it in." **SUSAN** explains. "We should thank her. Come on, let's see if we can find her," she says, taking your arm.

After a quick walk around the set, you finally find **MRS. B.** with **SHIRLEY JONES**. **SHIRLEY'S** already seen the fudge and is telling **MRS. BONADUCE**, "**BETTY** you shouldn't have! It's my favorite thing in the whole world, next to spaghetti and meatballs! How can I refuse it?"

RUINED YOUR DIET!

MRS. BONADUCE is pleased with the compliments, even though she's ruined everyone's diets... in-

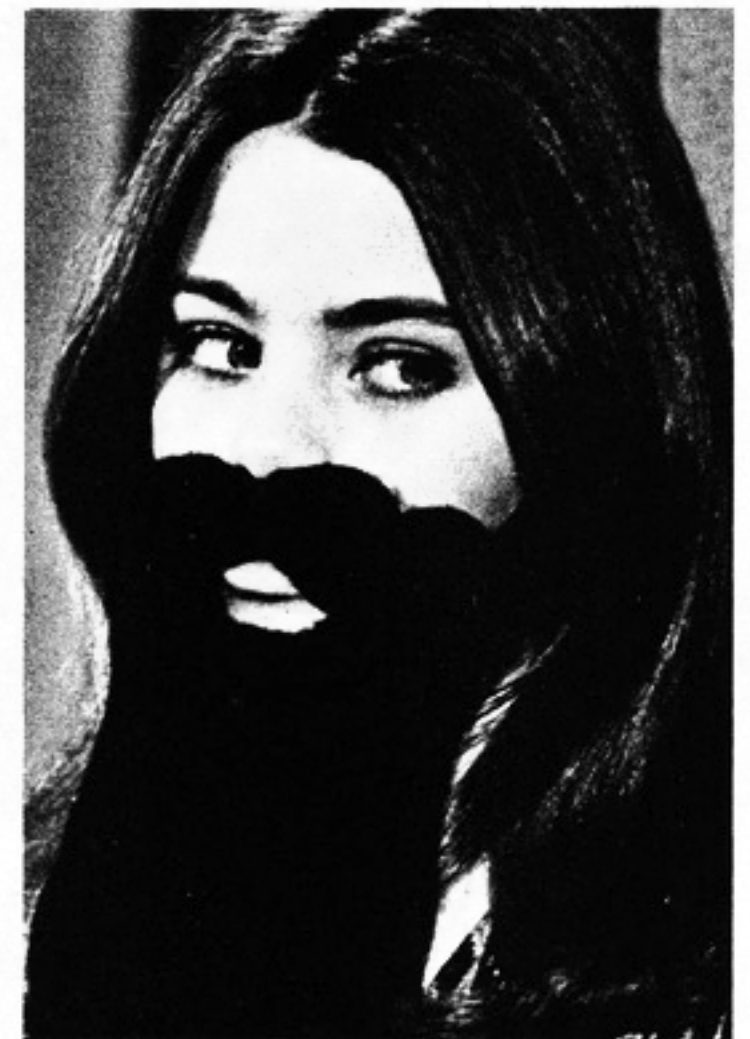

all over his face, even though he supposedly started a little diet himself. "I only had four pieces" he tells you. "But if your own mother won't help you stick to a diet, who will?" **BRIAN** and **SUZANNE** confess to sharing eleven pieces, but who's counting?

GUEST STAR

Over in the corner, looking like a Laugh-In reunion, **DAVE MADDEN** and this week's guest star, **ARTE JOHNSON**, the verrry-interesting man, are plotting to break up the cast with the next scene.

You go over to watch, and sure enough, **DAVE** and **ARTE** have the cast in stitches. The director yells "CUT," and waits for everyone to calm down. But nobody can really get mad at these funny, funny folk!

You introduce yourself to **ARTE**, and he insists on showing you his

WHAT DO you think of the disguise?
