DANNY AND SUSAN NEHER

Q. *I've heard so much talk about Danny Bonaduce and Susan Neher, I don't know where the truth begins and where the rumors start! Please tell me if they're really going together or if they're just friends? I know I can rely on you for the truth!*

A. Thanks for the vote of confidence—you've come to the right place for your answer! Danny and Susan are just friends, as is everyone on the sets of "Getting Together" and "Partridge!" After all, they work next door to each other everyday at Columbia Ranch! But don't worry about a thing because Danny and Susan are just good friends and there is no romantic interest between them!

Q. *Is it true that there is a whole new Partridge Fan Club kit for 1972? If so, how can I join?*

A. Yes, it's true, and wait'll you hear what you'll receive by joining! A complete new book called "Growing Up with the Partridges," packed with pix, info, and a super astrological forecast; photographs, stickers, even a new recording with all the Partridges' special messages to YOU!
