

Let's Tour With David

BY KIM AND DAVE

All set for another exciting concert tour with David? That's great because now you can come along each month as David's back-up singers, Kim and Dave let you in on all the fun!

IT'S AMAZING TO watch David perform! He really gets into it!

Hi There! We're **Kim** and **Dave Ellingson** and are we ever excited about having our own column right here in the Partridge Family Magazine!

We've been dying to let you in on all the groovy, exciting, and sometimes crazy happenings that go on behind-the-scenes each week at **David's** concerts around the country! Each month we're going to bring you all the facts about what touring with **David** is really like, plus we'll be answering your questions too!

But first, let's introduce our-

selves to each other! Both of us used to sing for a folk group called the **New Christy Minstrels**, in fact, that's where we met and a couple of years later we were married.

Then one day we received a call from Bell Records to sing back-up for a guy named **David Cassidy**! Well, we agreed and the rest is history. Since then, **David** and we have become best of friends and we really love working with him!

SO HONEST

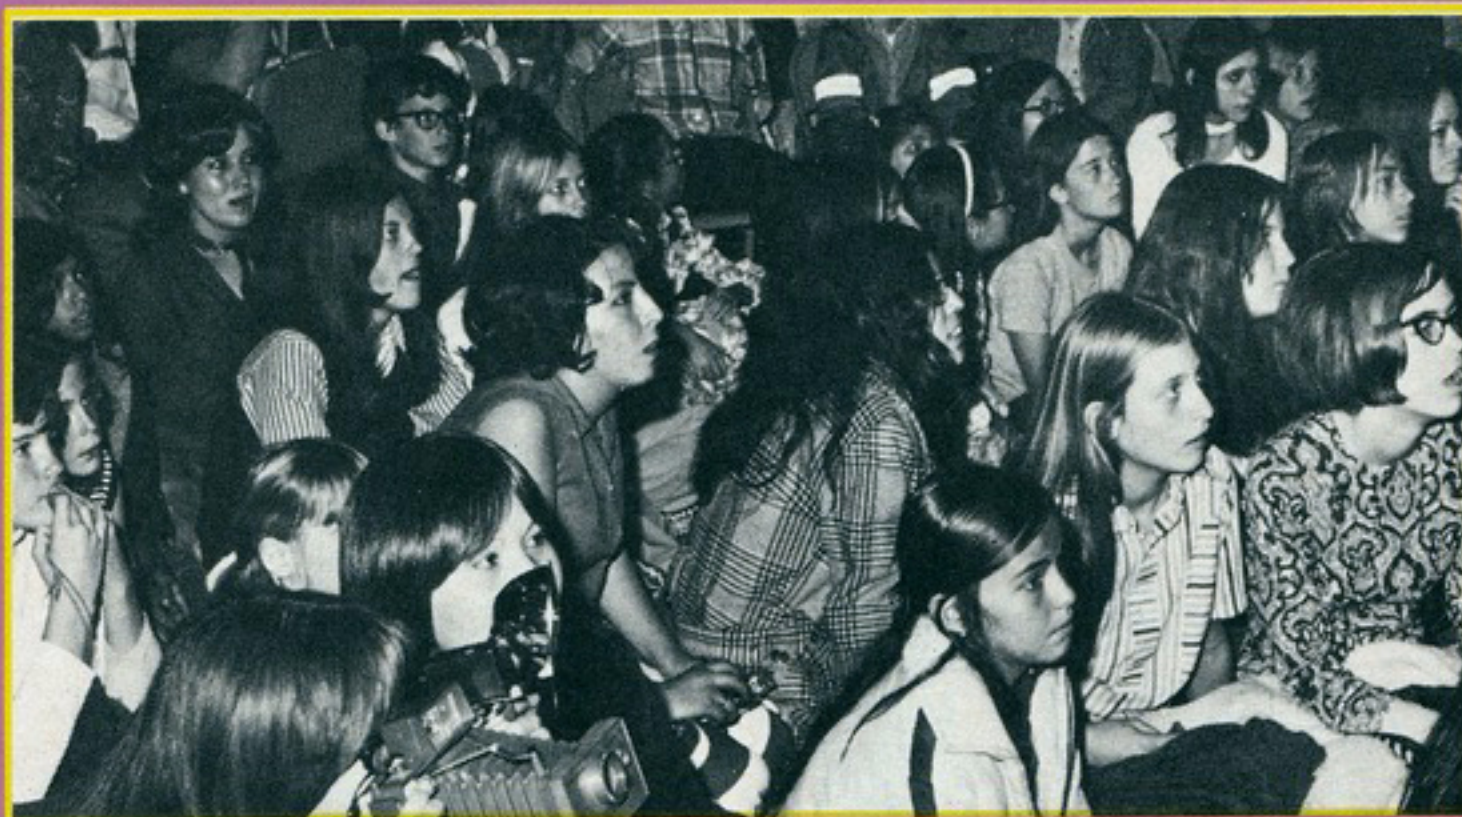

But more than that, we love working for **YOU**! You're the most fantastic audience anybody could ever ask for! You're so honest and so devoted it's wonderful! There's so much electricity in the air and each time we walk out on the

stage to sing for you or to back up **David** it's a beautiful experience for us!

At first it really surprised us the way **David's** fans are so totally devoted to him! There are 3 young ladies we know who come to practically every concert! Two of the girls are from Philadelphia, and their friend is from New Jersey. She's old enough to drive, and drive they do! They've gone as far as 350 miles to see a show! It's gotten so we all know them now, and a couple of times instead of driving from one town to the next, they've come on the bus with us!

Now it's gotten to the point

DAVID'S NOT THE only one who gets into it! Every girl in the audience has her eyes glued right to the stage! When we first started touring with **David** we were so overwhelmed by the response everyone gave him! Terrific!
