

WICKED NIGHTS!

1 Wow—what's this?! Our sweet 'n smiling "quiet" David out gambling?! And with a pretty blonde no less? And what's in that glass? Probably some more apple juice, cos David is **strictly** a teetotaler!

2 David's got that "winner's smile" on his face—while his dad, actor Jack Cassidy, tries to borrow a few gaming chips. The blonde young lady is Robyn Millan, a regular of CBS's soap opera **Where the Heart Is**.

3 David rakes in the chips and it looks like Dad could take a few pointers from his "winning" son. And, yes—Robyn **is** the same girl you saw David pictured with in **TV Guide**, and she also guest-starred on the first **Partridge** segment this season. But don'tcha fret, dearies—David has no **steady** girl!
