## OSMONDS & BOONE GIRLS?!

Dear Miss Stavers,

I read in an icky magazine that when the OSMONDS went to Japan, the BOONE sisters went with them. It also said that MERRILL and WAYNE were going steady with two of the girls. Is there any truth to this? Could you please tell me the Boone girls' names and how old they are? I also read that DONNY wears a retainer and that he has to wear it when he's on stage. Is this true? Also, could you tell me if the Osmonds have moved into their new house and, if so, where is it?

Elizabeth Brown

Bear, Delaware

• Dear Elizabeth,

PAT and SHIRLEY BOONE and their daughters are all very talented singers and dancers. Three years ago they did indeed go to Japan and do a tour with the OSMONDS. Since that time, the Osmonds and the Boones have been good friends. None of the Osmonds except WAYNE

has ever dated one of the Boone girls. WAYNE and CHERRY date occasionally. In the picture of the Boone family here, they are—left to right—Shirley, Laury (13), Debby (14), Lindy (15), Cherry (16) and father Pat. Yes, DONNY does wear a retainer, but he never wears it on stage—mostly he sleeps in it. Early in September the OSMOND boys—along with their mom, dad, sister MARIE and little brother JIMMY—moved out of Arleta, California, and moved into an apartment building in Los Angeles. All in all, the Osmond family has three apartments. Mom and Dad and Marie share an apartment adjacent to the apartment that is shared by JIMMY, DONNY and JAY. MERRILL, WAYNE and ALAN also have their own apartment in the same building. As soon as the clan have finished decorating their various apartments, you'll be seeing at-home pictures of them in 16—and nowhere else.

## WHAT'S IN A NAME

Dear Miss Stavers,

Can you tell me how *Loving Fashions* got its name? I love it. It's cute and catchy—and so unusual!

Dorie Fanning

Duluth, Minn.

• Dear Dorie,

The name *Loving Fashions* was chosen because the purpose of the magazine is to make each and every girl who reads it even more lovable than she actually is. When she wears clothes and accessories featured in *Loving Fashions*, she becomes more huggable—she feels loving because she feels lovable! It's as simple as that. So all of you 16-ers who want to be more adorable than you already are—flip to page 40 and see what *Loving Fashions* is up to now!!

## SHIRLEY JONES' SONS

Dear Miss Stavers,

I saw SHIRLEY JONES' adorable sons when she was on ABC-TV's *This Is Your Life*. Could you please run a picture of them and tell me a little about them?

Rhonda Franklin

Southfield, Mich.

• Dear Rhonda,

Here is a cute picture of SHIRLEY with her and JACK CASSIDY'S sons, SHAUN, RYAN (center), and PATRICK. All three of the boys go to school,

and Shirley insists that none of them will go into show business until after they have finished high school and college, though it wouldn't surprise anyone if one or all of her sons showed up in a Partridge Family segment one of these days.

## DAVID'S 9 LIVES!

Dear Miss Stavers,

I nearly flipped out of my mind when I received your brand new special book called *9 Lives Of David Cassidy!* Wow—I never realized how much I didn't know about the real David until I got this groovy book! Now I know everything there is to know about David!

Mimsy Farnsworth

Chicago, Ill.

• Dear Mimsy,

You gladden my heart! I urge all the rest of 16's readers—who are also David Cassidy lovers—to find out everything there is to know about the real David in this fab new book! Turn to page 25.

## MORE ON BROOK FULLER

Dear Miss Stavers,

I am crazy about handsome young BROOK FULLER and I would like to know what he's up to and where I can write to him.

Darlene Jenkins

Raleigh, N.C.

• Dear Darlene,

BROOK, who lives in Hollywood, has just returned from a long summer vacation on the island of Capri, off the coast of Italy. At present, Brook is working at taking singing lessons and auditioning for various TV and movie parts. Right now, nothing is definite, but you may be sure that you will be seeing lots more of this lovely lad in the future. Meanwhile, you can write to him at 16 Magazine, 745 Fifth Ave., New York, N.Y. 10022.

## HOW TO CATCH A GUY

Dear Miss Stavers,

I thought the rest of your readers might like to know that I recently read an article in *Loving Fashions Magazine* about how to attract a guy, and I did everything the article said to do—and I got the boy I wanted! So I suggest that if other girls want to catch a guy—they ought to read *Loving Fashions* too!
