RUMOR:

TRUTH:

I read that Donny Osmond wears a retainer brace on his teeth. Is that true? If it is, why don't I ever see him with it?

The truth is Donny *does* wear a retainer, but he doesn't have to wear it during the day. It's removable so that it won't interfere with singing or talking, so he usually just pops it in his mouth to wear while he sleeps.

Is there any truth to the rumor that Jermaine Jackson is steadily dating a girl named Hazel?

No, not really! There's no doubt about the Jackson boys being quite popular with the ladies, but their career is going so strong right now they're finding it almost impossible to date! So at the present time, none of the guys are going steady.

What qualities does David Cassidy look for in a girl?

David goes for the completely natural quality about a person all the way. That is, natural in appearance (little or no make-up), sweet personality, generosity; in other words, nothing phony. That turns him off immediately!

I heard that Bobby Sherman was discovered by Natalie Wood! How fantastic! But is it true?

You bet it is, and it happened in July of '62! Bobby was entertaining at a Hollywood party where Natalie Wood, Sal Mineo and Roddy McDowall were guests, and they all liked his style and encouraged Bobby to sing professionally!

I love watching "Courtship of Eddie's Father" and think Kristina Holland is a doll! Isn't that her voice on the Bubble-Up radio commercial?

Yes, it is. Lovely Kristina has done numerous commercials for radio and television, and the one with the Bubble-Up Love Doctor is one of them!

Who was the actor I saw in the first "Partridge" show of the new season? He played the character "Stillman Kelly" and looked very familiar.

We'll bet he looked familiar 'cause that was none other than Jack Burns, Officer Colcheck on "Getting Together!" Jack says the new TV season got off to a great start for him, as his "Partridge" episode aired Friday, Sept. 17, followed by the debut of "Getting Together" Saturday the 18th!

Has the "Brady Bunch" done any on-location filming this season?

They sure have—for their first episode, in fact. The cast and crew flew to Arizona's Grand Canyon for a 3-part adventure in a ghost town, and they liked it so much they hope to go back there again someday.
