Q. I would like to know if Chris Stone dates very much and if he is considering marriage? Also, what is his favorite color?

A. Chris says he dates an average amount, and would eventually like to get married, but has no plans for the near future. As for his favorite color, he says it's definitely blue!

Q. My mother and I are having an argument. She says that David Cassidy's roommate, Sam Hyman, is really a body guard and that he gets paid for it. I say it's not so. Please tell me who's right.

A. You're right! Sam and David have been roommates for the last couple of years and friends for as long as they can remember, and in NO way is Sam acting as body guard! Hope that clears up any doubts your mother may have had!

Q. I was reading a TV magazine the other day and it said that Pat Boone and his daughters went on the Japanese tour with the Osmond Brothers. Is that true? And is there anything going on between them, romantically-speaking?

A. Way back in 1967 the Osmonds and the Boone Sisters did concert tours together in Japan, and since that time they have seen a lot of one another professionally. But they are NOT dating now, nor have they dated in the past. They're just good friends, and say that's just the way they want it to be!

Q. I've been watching "Getting Together" every week since it started, and it is really great! Please tell me if Bobby is going to record any of the songs he's sung on the show? Especially "Jennifer," the one he did when the show debuted. It was beautiful!

A. You're in luck because Bobby has recorded an album containing the songs you've been hearing each week, and "Jennifer" is among them! They appear on his new "Getting Together" album which is on sale now!

Q. What is Donny Osmond's favorite flavor ice cream?

A. Donny says he likes 'em all, but pistachio nut will always be his favorite!

Q. I heard that James Taylor and Joni Mitchell are engaged. Is this true? Also, where may I write to James?

A. Neither James nor Joni are engaged, but they have been seeing each other rather steadily for awhile. We'll keep you posted if there are any changes! In the meantime though you may write to both of them in care of Warner Bros./Reprise Records, 4000 Warner Bl., Burbank, Ca. 91505.

Q. Can you tell me if Ted Knight of the "Mary Tyler Moore Show" is related to Chris Knight of the "Brady Bunch"?

A. Good observation, but the two are not related at all. As a matter of fact, Ted had his name changed professionally when he became an actor, as the name on his birth certificate reads "Tadewurz Wladzui Konopka!"

CHRIS

JIMMY

Q. Does Jimmy Osmond do any advertisements on his own? If so, what are they all about?

A. At this time Jimmy hasn't appeared in advertisements or commercials by himself, but he did appear with his brothers in the Calpis soft drink commercial in Japan. He may do some more work along those lines in the future, but at the present time nothing is being planned.

Q. I have a question to ask you about Chad Everett. I've read in your magazine that he's in his thirties, but another yucky teen magazine recently stated in a supposedly personal interview that he's in his late twenties. Which is correct?

A. We don't know where the other magazine obtained their information, but we checked with Chad himself, and he is 34. He was born June 11, 1937.

Q. Can you tell me if Eve Plumb of the "Brady Bunch" wears glasses in real life? I think I've seen her on TV with them.

A. Yes, Eve does wear glasses. She says she's a bit near-sighted!

Q. I saw Michael Gray in your magazine and think he's a doll. Please give me some personal fax on him!

A. Michael was born 20 years ago in Chicago, Illinois on September 2. He stands 5'9" tall, weighs 120 lbs., and has dark brown hair and green eyes. He makes his home in the Hollywood Hills, and loves being close to nature!

BOBBY

Q. I heard from one of my friends not too long ago that Bobby Sherman's real name isn't Bobby Sherman! Quick, please tell me if this is true!

A. Sorry, but your friend has been misinformed! Bobby's full name is Robert Cabot Sherman, Jr. He hasn't made any changes!

Q. I read a letter in TIGER BEAT from one of your readers that said she received a letter from Susan Dey's mother. I wouldn't have thought too much of it, but then I read in another magazine that Susan's mom died when she was eight. I'm very confused. Please tell me which is correct.

A. Susan's mother did pass away when Susan was young, but her father has since remarried a lovely woman named Gail.

Q. I've seen some pictures of Kim and Dave, two of the people that sing backup at David Cassidy's concerts, and they're both so cute! What are their last names? And are they married or just good friends?

A. Kim and Dave have been married for some time now, and their last name is Ellingson!

Q. I was watching an old rerun of "Love On a Rooftop" and thought I recognized Bridget Hanley. Do you know if she was ever a guest star?

A. Yes, she was! Bridget was under contract to Screen Gems at that time and was cast in that particular episode you saw!
