Happiness, — because he has brought so much to me.

When you first saw David on television, what was your reaction? What was the show?

"Housewife" was the first show David did and I must say I had mixed emotions of nerves and excitement, but it was a wonderful experience for me.

Do you recall what David said to you when he found out his dad and you were getting a divorce?

It was a very sad time. He wanted to know why — he was so young and it was hard to explain.
