

SWEET SUZANNE

Suzanne Crough is the sweetest little girl I've ever seen. I keep pictures of her in my school books so that I can have a peek at her every now and then. Her smile is so precious, she really is a winner with me. I'm just crazy about her and surely would love to marry her when I grow up.

EVERYONE'S WATCHING

The Partridge Family is the best family show that is on t.v. now. I even started my parents and two little sisters watching it and boy do they love it. I think my Mom has flipped out on David Cassidy and she always reads the Partridge Family Magazine just like a true fan. I wouldn't be the least bit surprised if she joined the fan club.

Dear Sharon,

I love all the stories and groovy colored pics you print in the magazines, especially the ones of David Cassidy. I've noticed there is a book on Danny Bonaduce and Susan Dey has her Private Journal. Has there been a book written on David called "He's Dynamic"? and if so, where can I get my copy?

THANKS!

Just want to say thank you for all the good things you've been printing on Danny Bonaduce. It's his freckles that turn me on the most. The 'DARING DANNY BONADUCE' book is really great and those baby pictures are so adorable. I hope you other Danny fans will get your copy soon, it's worth it.

Dear True To David,

There is a book about David called "DYNAMIC DAVID CASSIDY." If you'll turn to page 59, you can order your very own copy today. I'm sure that you'll agree it's dynamic, too!

DANNY'S LOOK-A-LIKE

My name is Darcy but all my friends call me Danny because I have bright red hair and freckles, just like Danny Bonaduce. They kid me all the time about it but I don't really care because I'm probably the biggest Danny fan around. Even my family has started calling me Danny, especially on Friday night about 8:30.

TRUE TRUE FAN

The Partridge Family is really tops on my list. Thanks to my girlfriend who kept raving about the show and how much she liked David Cassidy and everything. One day she came to school wearing some beads that she said were David's luv beads. She told me she ordered them from the Partridge Family Mag. and that I could get some too. She turned me into a true true David Cassidy and Partridge Family fan. My girlfriends all tease me now because I'm never without my luv beads or Partridge Family Mag.

STAND UP AND CHEER

My girl friends and I have a little cheer we made up just for David. We have a little dance that goes along with it, and we do our routine whenever we meet. Here it is...

D-A-V-I-D C-A-S-S-I-D-Y

Say it loud, say it clear
Stand right up and give a cheer
He's the cutest, he's the best
North, East, South, and West
Say it loud, say it clear
David Cassidy, glad you're here.
