

DAVID'S OWN PERSONAL PHOTO ALBUM

David—at right in his fetching crew-cut—and his darling little half-brother Shaun—spread big grins for the family photo album.

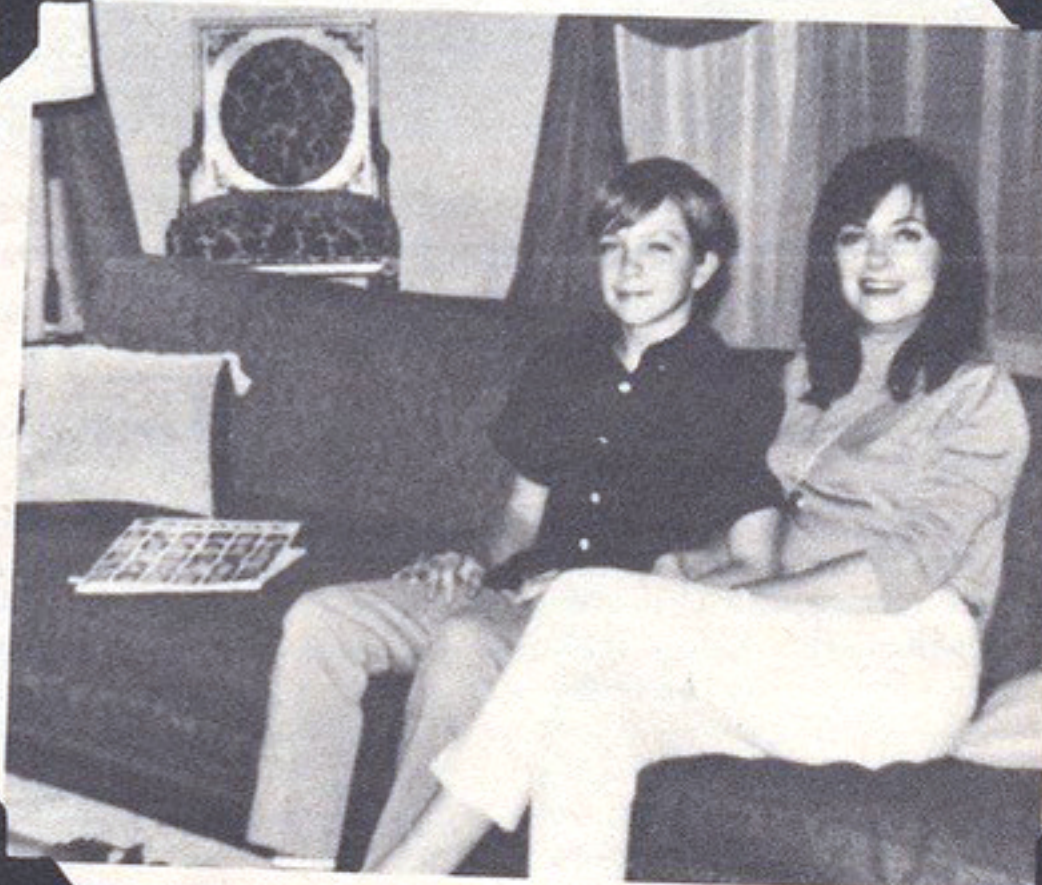

HELLO, HELLO, HELLO—and welcome back to *David's Own Personal Photo Album!* So far, you have spent David's entire childhood with him up to the age of 13. Now let's join our favorite teen-king again in his exciting journey through the past!!

Here's a cute school picture of David when he was 13 years old and attended Emerson Junior High in Hollywood.

Boy, oh, boy! One of the biggest thrills of David's life was when his dad, actor Jack Cassidy, gave him this speedy go-cart to drive around in!

Who's the beautiful lady with David? She's his mom—actress-dancer-singer Evelyn Ward. This pic was snapped at their home in Cheviot Hills, California.

S'all for this ish. Meet David and his **Own Personal Photo Album** right back here again—in the August issue of 16 which goes on sale June 22.
