

FROM ME... ...TO YOU!

All of us who work on putting FaVE together have a special feeling about what we are doing, and it has a lot to do with you. It's really fun to be able to bring all the latest news and pics on the stars to some of the nicest people we know—our readers! I know there's nothing I'd rather do than edit your magazine for you! There is a story behind every story that appears in FaVE, and I'd like to use this page every month to tell you about some of them!

*Love,
Liz*

MEET FaVE'S NEW EDITOR! This issue of FaVE brings me to a very bitter-sweet moment in my life. It has been three years since I became editor. The time went so fast that I can hardly believe that I am now putting together my 36th magazine for you! It is also the last I'll be working on as editor. As I look back now, I realize how lucky I have been to have the exciting job of bringing you the newest and truest info on your faves each month! I'm sad to leave, but happy too, because I'm going on to another career as a wife! I'm also happy to be leaving FaVE in the talented hands of its new editor, Liz Dagucon. Liz has worked with me and all the other Laufer Company magazines for almost two years, and I can promise you lots of exciting things ahead in FaVE!

WANT TO HUG A PUPPY THAT'S BEEN HUGGED BY DONNY? Who could resist a chance like that? And all you have to do is tell **why** you love Donny so much—which should be pretty easy for a true Donny fan! Letters, letters, and more letters from girls flooded my office ever since Donny appeared on FaVE's May cover hugging a cuddly toy puppy! All letters asked the same question, "Where can I get a puppy just like the one in Donny's arms?" It was instant "puppy love" all over the place! I quickly called Donny and in my usual calm way asked for HELP! Donny to the rescue! He suggested that FaVE hold a contest and the winner could win the very same puppy he was holding! I was so happy that I wanted to hug Donny myself—& that's no easy feat over the telephone! If you check out page 63, YOU could be the lucky winner—so enter right away! Two other Osmond features that are exclusive to FaVE and you don't want to miss 'em are on pages 20 and 24: **Be An Osmond Bride & You Interview the Osmonds!** "Osmond Bride" is your chance to describe your dream marriage to your fave Osmond, and "Interview" are questions you'd like answered by the Osmond boys personally!

WHAT DAVID'S ALL ABOUT! This issue of FaVE reveals some very touching and warm insights into David Cassidy. You and I know that he's a fantastic fella, but sometimes it's hard to believe that any guy could be so groovy-looking and talented and still be a nice human being too! But that's what David Cassidy is all about—and you can discover his gentle qualities on pages 12, 22, & 74. David tells you what's going on inside his head and heart—and, I'm sure you'll love him even more after you read his stories! David's really been busy these days (as usual), and when I talked to him the other day I asked him what was really taking up so much of his time. I'm sure you guessed his answer, David smiled his little boy grin & said "Music!" David's really into music—and with each passing day he gets more fascinated by all types of music. Right now, he's into writing songs, and he promised me that as soon as he finishes a song that he feels really good about, you and I will be the first ones to know about it! Who could ask for anything more? Not me! I'm happy just talking to guys like David and bringing FaVE to readers like YOU!
