

FAVE RAVES

WHO'S WHO?

This strange thought hit me the other day: what if David Cassidy married his stand-in Jan Freeman and they had a baby... who would he or she look like?! It was just a thought!

HE'S GOT IT ALL

There's no doubt about it—I know that Donny Osmond has a very special look about him that turns girls on. He's turned me on so much that I can't get turned off! He's the best! He has great rhythm and a great voice, and when it comes to his looks... WOW!!!

THE REAL DEFINITION

This is directed to R.G. of Pittsburgh, Pennsylvania. I think she misunderstood what a stand-in does. The dictionary defines a stand-in as "Someone employed to stand in an actor's place until lights and cameras are ready." Jan Freeman isn't trying to ruin David, she's just doing her job. If David had to stand on the set until the cameras were ready and then had to act, think of how tired he would become. A stand-in only has to have a similar build and facial features as the star, which Jan evidently has, or else she wouldn't have the job. I hope this has cleared things up!

LOOK AGAIN

This letter is for Barbara Cundy of Peoria Hgts., Ill. who said in your April issue that Jay Osmond and Wes Stern look alike. Either she needs glasses or she should look again—Jay's a doll!

I'm observant too!

GOOD LUCK CHARM

Did you know that Donny Osmond is just like a good luck charm? Last week I had a math exam in school and I was really nervous. Anxiously I began looking around the room to get my mind off the test, and then I saw a small picture of Donny on my desk. I picked it up and looked at it, held it in my hand, and kept it there during the entire exam! Four days later I got my paper back and I scored 98%! For sure now Donny is a good luck charm! (And he's the best kind to have!)

Michael Gray is the handsomest guy I've ever seen. Every time I see him I hit the ceiling because he's so cute! Please print more pictures of him because he's the greatest!

QUIT HITTING THE CEILING, KID!

WE WANT THE OSMONDS!

David Cassidy has a good show, so do the Partridges, the Jackson Five, and even Bobby Sherman! So why don't the Osmonds have one? We wish they would!

YOUR WISH HAS BEEN GRANTED! THE OSMONDS WILL HAVE A SATURDAY MORNING CARTOON SHOW BEGINNING THIS FALL! STAY TUNED TO FAVE FOR ALL THE DETAILS!

MAKES ME MAD

I've always heard that if you have the same dream more than once, it's going to come true. All I can say is "Some saying!" I dream about David Cassidy just about every night, and if my dream came true I'd be married to him, be a singer, and even be a member of the Partridge Family!

STILL ON TOP

This is for the two girls who think that either Jimmy Osmond or Randy Jackson will be the "greatest idol ever" by 1981. I say you're both wrong! Donny Osmond will still be on top during the next nine years! He's up there right now, and I know of a lot of people who'll make sure that's where he stays!

ALMOST DIED

I always thought that David Cassidy was cute, but when I saw Michael Gray, I nearly died! He's adorable!!!
