

Dear FaVE,

Has Barry Williams cut any records yet? I heard he did but I haven't seen any.

Barbara Waite
Tallahassee, Florida

Dear Barbara,

Funny you haven't heard Barry's first record "Sweet Sweetheart." Some Florida disc jockeys have named it "Pick of the Week!"

Dear FaVE,

I just came from my girlfriend's house and had to write right away! She had a book called "Teenage Love Stories" that I really want. When I asked her where to get it she said she got it through your magazine. So can I get one?

Nancy Porter
Albany, Georgia

Dear Nancy,

Sure can! Just turn to page 13 and you'll find directions on how to order "Teenage Love Stories" and other groovy books.

Dear FaVE,

I heard that Jackie of the fantastic Jackson-5 was in a car accident and is in critical condition. Is this true and is he going to die? Please, please say it's not so!

Helen Cooper
Barrington, Illinois

Dear Helen,

Jackie was in an auto accident but is fine. The car was demolished but, lucky for him and us, Jackie escaped with no serious injuries.

Dear FaVE,

What is this business about "The Partridge Family" being cancelled? Why would anyone want to do a dumb thing like that?

Kevin Farber
Cedar Lake, Indiana

Dear Kevin,

Nobody's silly enough to cancel a popular show like "Partridge Fam-

ily!" "The Partridge Family" will be shown in reruns during the summer and new segments will be shown starting next September. The rumor was definitely false.

Dear FaVE,

My friend from England told me that Alan and Wayne Osmond were born there. Is she putting me on?

Wanda Rhodes
Davenport, Iowa

Dear Wanda,

She may just have gotten her facts mixed up. All of the Osmond Brothers were born in the United States but they trace their ancestry to England and Wales.

Dear FaVE,

I know David Cassidy went to Europe recently. I was told that he went there to find a cure for baldness because he's really losing his hair fast. All that gorgeous hair! I refuse to believe it but I wanted to have you print the truth for anyone who thinks that it's true.

Eileen Weber
El Dorado, Kansas

Dear Eileen,

Here it is in print for all to see! David was just vacationing in Europe and there are no signs of baldness on that beautiful head!

Dear FaVE,

Is it true that the Rolling Stones were in L.A., Calif., recently? I think they're the greatest and I heard they were in town.

Joe Molinari
Los Angeles, California

Dear Joe,

Yes, they were in Los Angeles to finish an album they started in London with Chuck Berry and to discuss a United States tour they have coming up later this year.

Dear FaVE,

I heard Donny Osmond was in the hospital. If this is true, what's wrong with him? Will he be all right?

Sally Racine
Fairview, Kentucky

Dear Sally,

Donny recently had an emergency operation to have his appendix removed. He is now up and around and more than doing fine!
