

# "IS IT TRUE?"

SEND YOUR QUESTIONS TO: DEAR CAROL, FLIP MAGAZINE, 405 PARK AVENUE, NEW YORK, N.Y. 10022

CHER BONO

**Q. You said that the movie Michael Cole made would be called "The Day They Took The Babies Away," but I saw it and it was called "The Last Child." What happened?** S.P.—Floral Park, N.Y.

A. The studio apparently decided the original title was too long and that "The Last Child" was a stronger title. I personally liked the first one better.

**Q. I watch "The Sonny and Cher Show" and I would like to know how long Cher's hair is because first it's long, then it's short and in curls. Is it a wig or what?** D.C.—Glenview, Ill.

A. When you see her hair just hanging down long and straight—that's her real hair. All those other gorgeous creations are combinations of her real hair and wigs. But any way she does it, she looks fantastic!

**Q. I'm scared! I just heard that Jay Osmond has a girlfriend and that she gets jealous each time a girl comes along and asks him for an autograph. Is it true?** P.F.—N.Y., N.Y.

A. Relax, it's not true. Jay does not have a steady girlfriend and he loves giving autographs.

DONNY OSMOND

**Q. In the April issue of FLIP you had an article on the Jackson Five and I noticed in one of the pictures Jermaine was playing the bass guitar and he looked like he was crying or in pain or something. Could you please tell me what he was doing?** K.B.—Washington, D.C.

A. Jermaine was just really getting into the song he was singing. He wasn't crying or in pain or anything, just concentrating very hard on playing as well as he could. He's a very serious musician.

**Q. My girlfriend says David Cassidy is 16 but I read that he's 21. Could you tell me who's right?** T.S.—Kila, Mont.

A. You are right. David will be 22 on April 12. However, "Keith Partridge" on *The Partridge Family* is supposed to be 16. Maybe that's what confusing your girlfriend!

**Q. In the April issue you said that the Osmonds had moved to West Los Angeles, but in a different part of the magazine you also said that they live in Salt Lake City, Utah. Could you please tell me which is true?** D.G.—Kirkland, Wash.

A. Actually both are true. The Osmonds now live in West L.A. but their grandparents and older brothers live in Salt Lake City and Salt Lake will always be their real home as far as they are concerned.

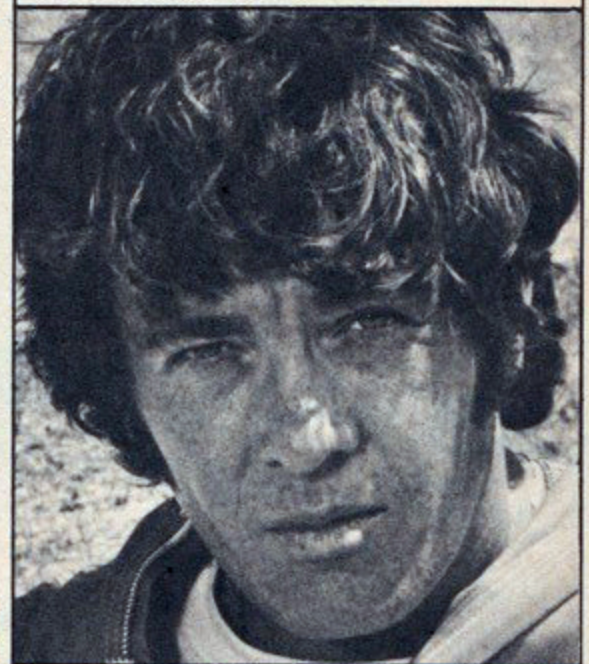

**Q. Did David Cassidy really go to Europe?** K.S.—Fort Laud., Fla.

A. Yes, he did. He managed to take a long, relaxing vacation and tour all over Europe. You can read about it in his column in this issue.

**Q. In the April issue of FLIP in one of the pictures of Three Dog Night at the NASA headquarters in Houston, there was a girl standing almost beside Floyd. Is she Danny**

**or Floyd's girlfriend or what? And what's she doing in the picture?** J.H.—Canada

A. My goodness, what sharp eyes you have! The girl is an official NASA guide and she was acting as the group's guide along with the astronaut, who went with them too.

MICHAEL COLE

**Q. I would like to know how old Michael Jackson will be this year.** S.W.—Chattanooga, Tenn.

A. Michael will be 13 on August 29 of this year.

**Q. I heard that the Osmonds are going to quit show business because their parents want them to go to school full time, especially Jimmy. Is it true?** D.A.—Rockwall, Tex.

A. No. The Osmonds' parents are quite satisfied with the correspondence courses that the guys are all taking, and there is no chance they are going to quit.

**Q. Is it true that Susan Dey and David Cassidy eloped and have a daughter named Sarah Ann?** A.O.—Berkeley Heights, N.Y.

A. No.
