

STARS IN MY EYES!

by **NANCY HARDWICK** Editor, STAR Magazine

Hi STAR Luv!

Hurray for long summer days! Have you checked our STAR's Superstar Dream Dates Sweepstakes? (pages 10 thru 14). One starry-eyed girl (along with her best friend and one parent) will get to see and meet Donny, David, Jay, Merrill, Wayne, Alan, Jimmy, Rick Springfield, David Holmes, and all the outtasight J-5; Jermaine, Michael, Tito, Jackie and Marlon! Be sure to get your entry in early!

OSMANIA!

The Osmonds have just come back to Los Angeles from a hectic vacation in Hawaii. All night, the OsBros. played to sell-out crowds at the Honolulu International Center, and during the day they all played football on Waikiki Beach! Merrill celebrated his nineteenth birthday by sunning on a palm-covered beach with his brothers, and signing autographs for the Hawaiian wahines (girls)! STAR will have a complete picture story on the Osmonds in Hawaii in next month's issue!

OSMUSIC!

The "O-Bros" are now building their own super recording studio at MGM Records in Hollywood! Alan says it will be the most modern and up-to-date recording studio in Hollywood. He, Merrill, and Wayne will personally produce all the new Osmond records there. The label for their new records will be the Kolob label. It's their family record label and all the OsBros will be recording on it.

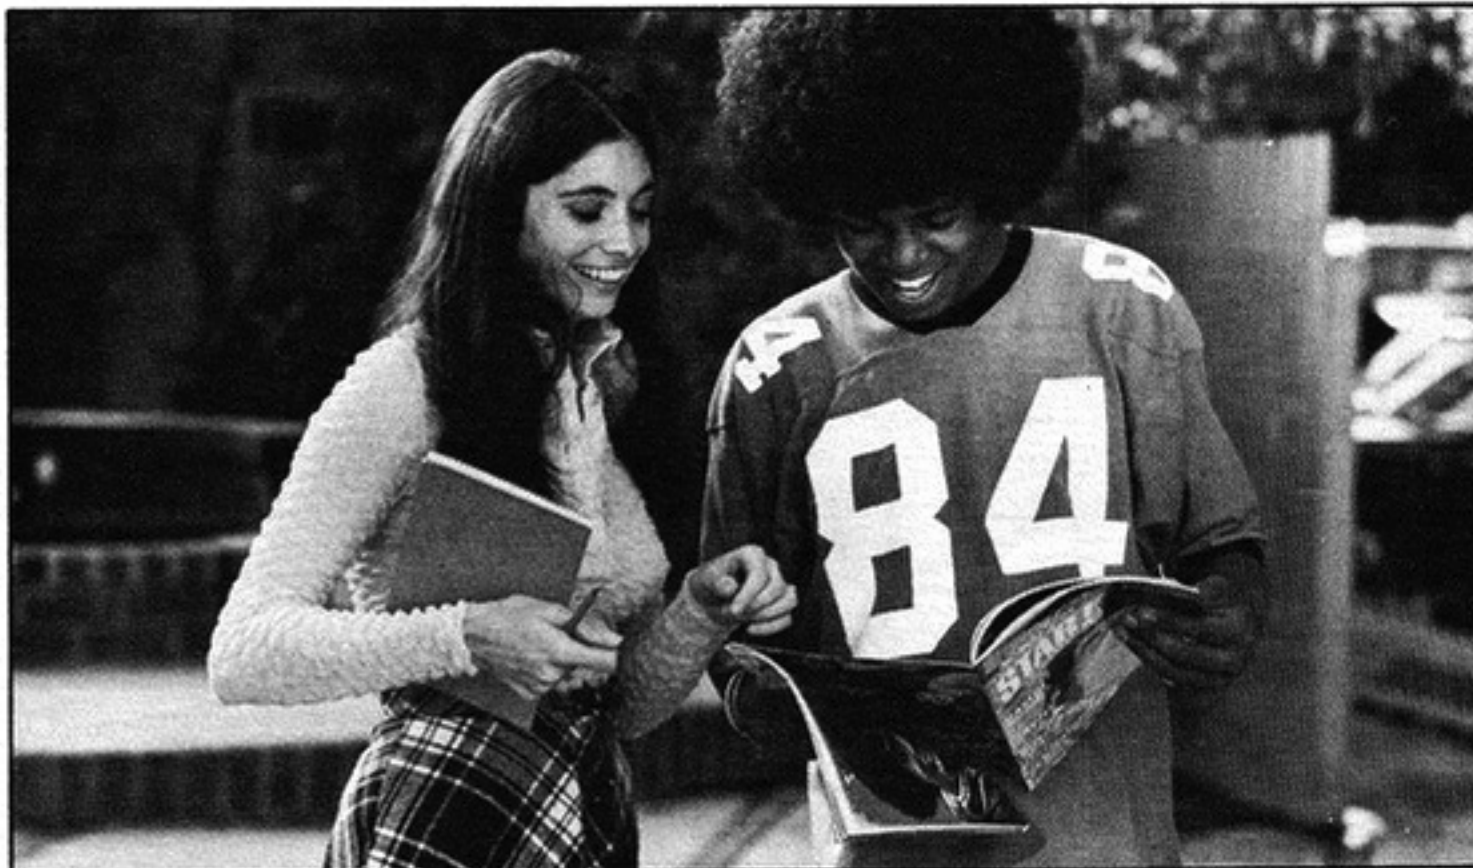

DAVID IN HAWAII!

Speaking of Hawaii, David Cassidy recently visited the Island of Oahu again on a vacation. David stayed out in the country part of Hawaii in a cabin right on the beach near Kuhuku. It's one of his favorite places to relax and do his favorite things: play his guitar, write songs, go skin diving and surfing, take pictures, go barefoot and eat fresh papaya fruit right off a tree! David is a natural-born beach bum and often talks about the day he'll move to an island paradise with his own family!

IT'S "J. J.!"

Here's a picture of J.J. himself—Jermaine Jackson looking through the latest issue of STAR. I brought a copy over to the J-5 house when we went there for a

photo session, and Jermaine cracked up laughing when he saw the oldie-but-goody picture of the J-5 in the last issue!
