

School's out! And summer days are long and lazy! Your favorite Superstar has packed his bags and has hit the road to do summer rock concerts all across the country! He may even come right to your town! And you may get to meet him face-to-face! Will he kiss you? Just how do Butch Patrick, David, Jermaine, Michael Gray and Rick Springfield feel about kissing a fan? STAR Mag recently got all the guys together in a special STAR Mag conference phone hookup to personally ask them . . .

Will You "KISS"

David! Jermaine! Butch!
Rick! Michael!

doesn't want you to kiss her! All my fans better watch out when they come to a J-5 concert, cause if you come within range, you're gonna get kissed!"

STAR: "You are too BAAAD, Jermaine! Hey, Michael how about your answer?"

MICHAEL: "I think that if a fan wanted to show her love and affection by kissing me, I'd be really flattered! I just hope she doesn't expect me to be too shy to kiss her back!"

BUTCH: "I feel almost like Michael does! I'm always turned on by a fan who wants to kiss me, but it makes me blush! I don't think I could get up the nerve to kiss a fan first, no matter how much I wanted to!"

STAR: "Now for the next big question! What kind of kiss would you give a fan at a concert?"

DAVID: "Well, I think that when you kiss a fan, you have to do it with real feeling! I would never just give a fan a peck on the cheek. I would put my arms around her and kiss her right on the mouth, putting all my love into that kiss! After all, I might not ever get to meet that girl again, and I would want our kiss to mean something to both of us, even if it's just a happy memory!"

RICK: "I think it's important to consider certain things about the particular fan you kiss! For instance, her

(It's an early summer afternoon, and STAR Mag has dialed the magic phone number that connects all your fave Superstars in a special conference call! Michael Gray and Butch Patrick are talking to us from their new apartments in Los Angeles. David Cassidy is on the phone in his dressing trailer at the Partridge set, Jermaine Jackson is at Motown Studios. Rick Springfield is in London, and Nancy Hardwick is in Hollywood!)

STAR: "Can everybody hear me?"

BUTCH: "Sure can! Can everybody hear me?"

DAVID: "You're sounding great!"

JERMAINE: "You're comin' in loud and clear, man!"

RICK: "Roger! Now let's get down to business!"

STAR: "Okay, guys! The hot, hot topic today is: Will you kiss your fans on your concert tours this summer? How about you, Michael?"

MICHAEL: "That's a heavy question! I'm not too sure about my answer yet!"

BUTCH: "Michael! We all know by now you don't cop out in a STAR Mag interview!"

JERMAINE: "Right on, Butch! We all get a little embarrassed, but we've gotta tell 'em true!"

MICHAEL: "Okay, okay! Who said anything about copping out! A guy has a right to think about his answer for awhile, doesn't he?"

STAR: "You're absolutely right! While you're thinking, we'll talk to our Partridge Family star, David!"

DAVID: "I would gladly kiss any fan who wanted to show me her true feelings by kissing me! I'd kiss her back! Right on her luscious lips! But, I don't think I'd want to try to kiss her before she showed me that she wanted to be kissed!"

RICK: "That's how I feel, too! It could be pretty embarrassing to go ahead and kiss a fan who wasn't sure she wanted to be kissed! But, if a girl comes toward me all puckered up, I'll give her a kiss she'll never forget!"

JERMAINE: "I disagree with you about not kissin' a fan till you know she wants to be kissed! A chick might be too shy to give you the go-ahead light, but that don't mean she
