

Hi! Happy Fourth of July! I bet you never thought summer would ever get here or that school would ever get out for vacation!

A lot of exciting things have been happening around here since our last issue! Both the Osmonds and David went on 10 day tours giving concerts, the winners of our 4 super groovy contests—"Have Donny to Dinner," "Kiss David," "Tour with Bobby," and "Be an Osmond Birthday Girl"—have been chosen and David's roommate Sam gave David a brand new puppy for his 22nd birthday!

Sam tells me that he gave David the puppy with a gigantic white bow tied around his neck! The dog's an English Setter and it was love at first sight for David and "Kula" as he named the pup! You can read the whole story of "Kula" in the July issue of Tiger Beat, on sale June 13!

David loved doing his 10 day tour, and Sam's going to give you the whole story in his "Living with David" col-

umn in Tiger Beat. But, one thing Sam did mention that I'd like to pass along to you could have been very dangerous for David!

While David was out to dinner in Scranton, Pa., some fans broke into his dressing room and stole all his beautiful white stage costumes! David was so disappointed and really hurt that anybody would do such a thing.

But just think about what might have happened if David had been in the room when the girls broke in! If they were disrespectful enough to steal his clothes, what would they have done to David himself?

The Partridge Family began filming again for the Fall season around the middle of May and I was so excited about seeing all my "Partridge" friends again that I arrived on the set so early I was the second person there!

The first person of course was David! I guess he was just as anxious as I was to check-out the old set at Columbia Ranch.

I found David in his dressing room, carefully putting away some of his personal belongings in the drawers! "Hi, come on in," he smiled when I

peeked my head in the door, and then promptly set me to work putting away a few groceries in the refrigerator his dressing room comes with.

David really was excited about the new season coming up on "Partridge"! Keith Partridge is going to become more of a father figure—helping out the kids and Shirley with their problems! David's excited about the change because he feels it's about time for Keith to mature a little bit. After all, he's 18 now on the show!

Before I run out of room I wanted to tell you how beautiful Michael Gray looked when he got back from Acapulco! Such a tan I almost didn't recognize him!

Michael was feeling a bit down because he was disappointed that his television pilot "Bobby Jo" wasn't picked up. I hope you had a chance to see it when it aired last month, though. I really liked it a lot and I'd love to know what you thought about it!

Anyway, Michael's not one to be down in the dumps for long and it wasn't long before his bright smile was again showing itself around the Laufer Company offices!

One word before I sign off! Our lucky 4 contest winners will be announced in the July issue of Tiger Beat and also the August issues of FaVE and Tiger Beat Spectacular! Just imagine—you could be one of those lucky winners! Find out next month!

Again, we've got a new contest for you to enter—Find David's Hidden Friends. I think you'll like it, so turn to page 45!

BET YOU CAN'T GUESS who this is—or can you? No hints but find his name on page 64.

DAVID'S NEWEST love is this sweet little 9 weeks old pup named Kula. David's roommate Sam Hyman gave him the pup for his 22 birthday. The name means "gold" in Hawaiian.
