

**SUPER SOUL MAN**

Marlon Jackson is my super soul man and do I mean super! Just to look at his picture gives me the goose bumps and sends my heart to jumpin'! I really love him and I have all of the J-5 albums and they are all really great!

Dear Sharon,

Please clear my mind! I've been hearing talk about the Partridge Family going off the air. Is this true? I love that show so much and I'll just die if it's true!

Lynda Carter  
Hartford, Conn.

Dear Lynda,

The answer is NO. The Partridge Family is not going off the air and we don't foresee it in the future. Looks like it's just another rumor.

**GONE BUT NOT FORGOTTEN**

I was so heartbroken when I heard the news about Pete Duel. I loved his show "Alias Smith and Jones," and now I never watch it because it just doesn't seem real without Pete and I feel like crying anytime it's mentioned. I thought he was so groovy and I know one thing for certain, I shall never forget him.

**ONLY LOVE**

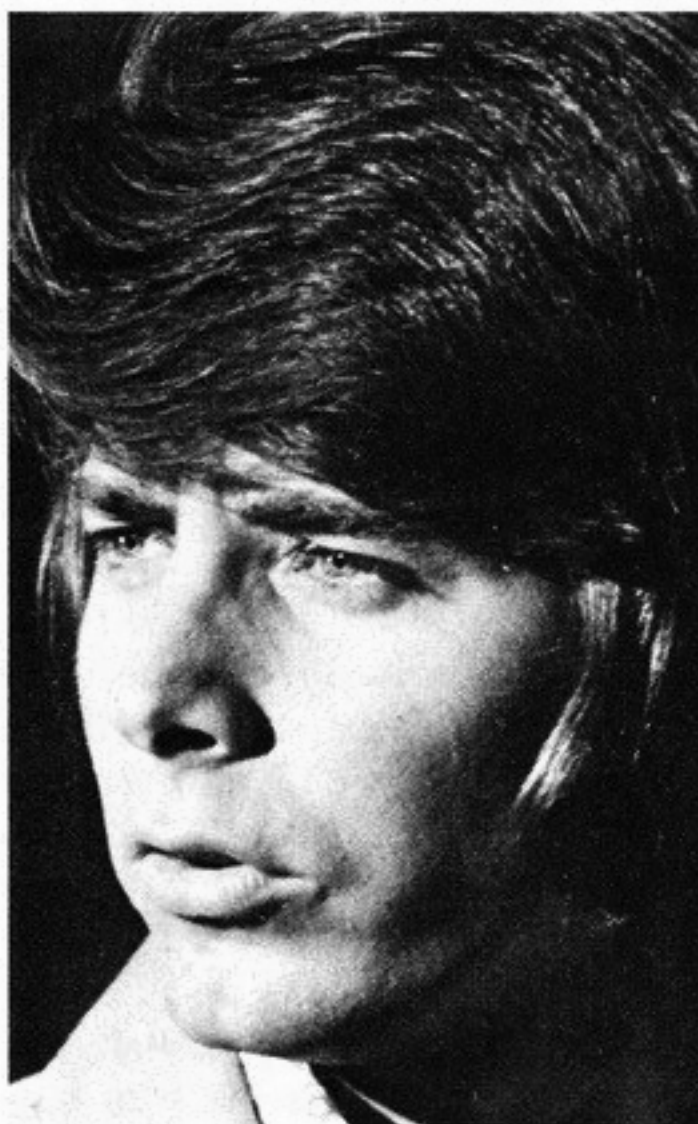

Jay Osmond is my only love and

only fave. I don't care about any of the other faves, for to me they are not faves! I love reading about Jay and I have all the pictures ever printed of him hanging on my wall. Please keep on printing things on Jay. He's what I live for.

Dear Sharon,

I am a true Osmond Lover and I want to desperately be a member of

their fan club. A girlfriend of mine says that the fan club is really great. How can I join?

Terri Conner

Dear Terri,

And for all the rest of you Osmond fans who are dying to join the fan club, turn to page 60 and send in the completed coupon today. It's a really groovy fan club!

**CAN'T BEAT 'EM**

No other fave will ever beat the king of the faves and that is Bobby Sherman. No matter how many shows of his get cancelled, he still keeps coming back with more. He is the most honest and considerate and truly caring fave I've ever seen. Bobby Sherman to me is a true idol in every sense of the word. I dearly love him and I know he will be very successful.

**THE BEST**

I just got David's new album "Cherish" and boy is it ever great! I play it all day long until my mom comes in and tells me to turn it off for a change. He looks so beautiful on the cover! I love all the songs, but I think "Cherish" is my favorite. David's voice sounds so dreamy all I can do is cry!
