

Q. Is Neil Young (formerly of the Buffalo Springfield) a member of America? Their lead singer sounds just like Neil!

A. Many people agree, and he's had lots of disc jockeys and music lovers baffled for awhile! Neil is not a member of America; he's been recording on his own as of late. America consists of three young men named Dan Peek, age 20; Gerry Beckley, 18, and Danney Bunnell, 19. And despite their youth, their music sounds very professional!
