PARTRIDGE *fan club* NEWS

by cecelia bonaduce • president

EXCLUSIVE

Each month read all the fan club news about the Partridge Family right here in Cecelia Bonaduce's column!

"I guess listening to David talk about his fantastic trip to Europe is what finally made me decide to go!" said Susan Dey. "I've wanted to go over ever since my roommate, Jane Joyce, came back from her stay in Ireland, but I was busy with the show and everything, and I never seemed to have time!"

Susan Dey was sitting at her kitchen table, wearing blue jeans and a maroon ribbed sweater and drinking tea. Now that she had finished her first movie role, she was ready for a relaxing vacation! But she'd have to hurry, because the "Partridge Family" would soon resume shooting!

"Well, I have to finish packing," she said and she poured the rest of her tea down the sink. "Come on upstairs and we'll finish talking there!"

Susan led the way to her bedroom, which was in a state of chaos! There was a big suitcase opened on the bed, a smaller suitcase, laying half packed on the dresser, and an overnight make-up bag sitting behind the door.

"I've always had a habit of taking too many things with me on trips!" Susan laughed, "I really have no idea what to take for a month's trip to Europe!"

She pulled a long black dress with red and green embroidery on the bodice from the closet.

"I guess I should take this... it's fancy

enough for a formal restaurant, and casual enough for a light dinner date!"

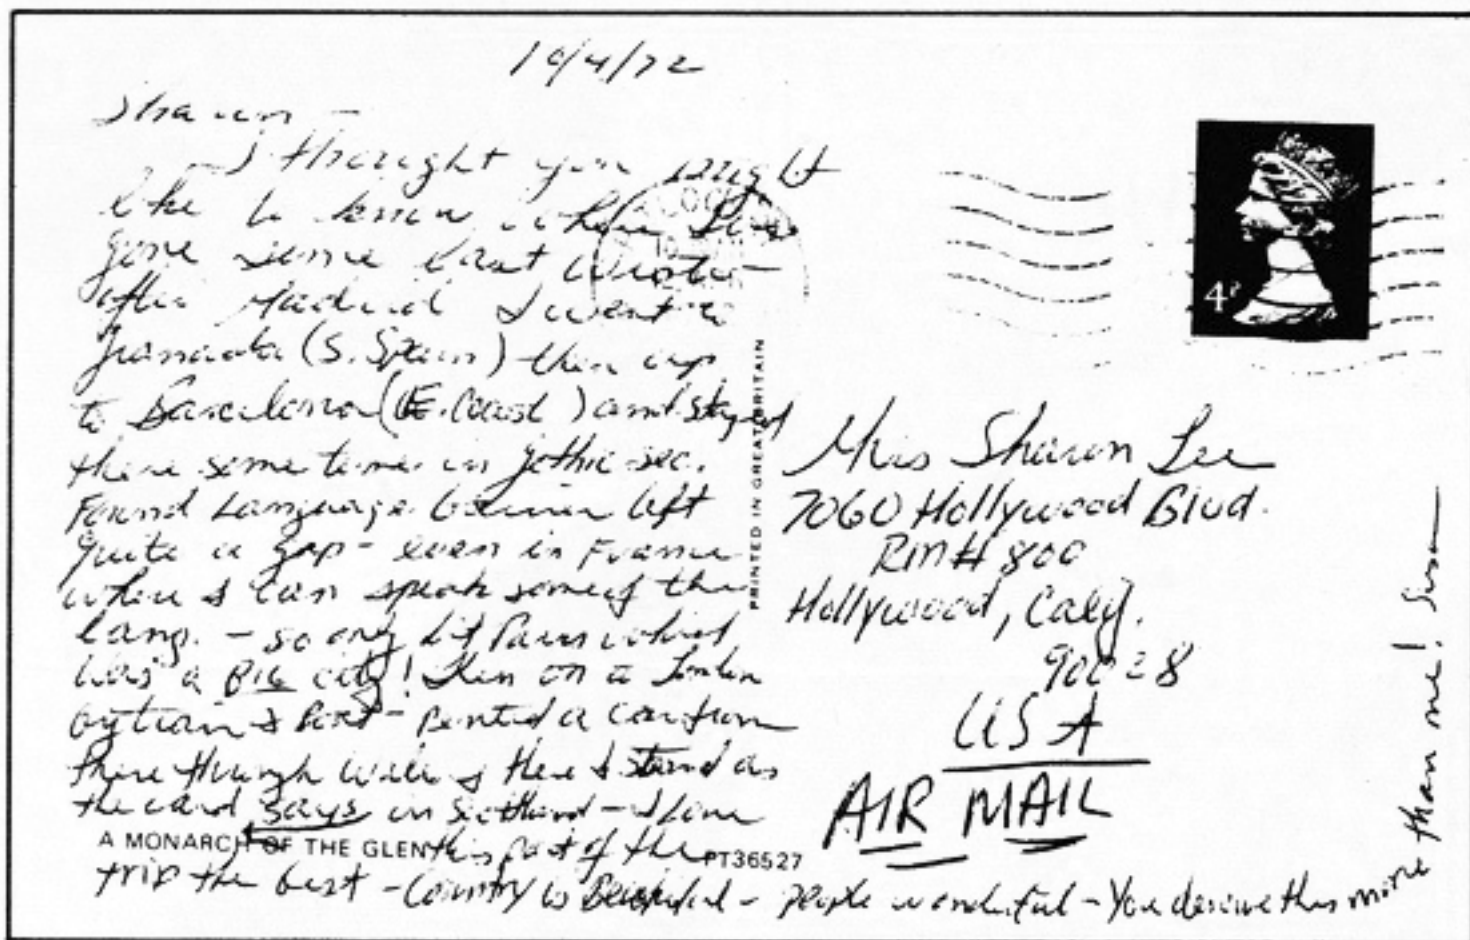

After taking a few other outfits from the closet, including a sleeveless blue dress, a dark brown skirt and bright yellow blouse, Susan moved to the dresser. She opened the top drawer, and picked out a yellow checked nightgown, with white lace, and laid it in the smaller suitcase, which by this time was almost full!

"Now, for casual wear!" Susan announced! "I plan on being dressed comfortably as much as possible, so I can really enjoy myself! I always have a better time in pants, because I can do whatever I want in them."

As she talked, Susan opened the bottom drawer, and reached for a pair of crisp new blue jeans, with embroidered flowers on them, and a pair of green pants with a patchwork pocket.

Susan handled the clothes with care, and made sure that they were neatly folded in the suitcase on the bed.

"I bought these especially for the trip," Susan said, as she put a bag of miniature clothespins and a thin string in the suitcase. "Now, I can wash out my own clothes at night, hang them out to dry, and in the morning, if anything is wrinkled, I have this!" Susan smiled, and put a travel-iron in the pocket of the case! "Hopefully, I won't need it... I tried to pack mostly wash and wear items!"

SUSAN SENT HER greetings to all of you and mailed off this postcard to Editor Sharon Lee from Scotland!
