

DAVID SINGS

“HOW CAN I BE SURE?”

David's newest hit single record, “How Can I Be Sure?” has a special meaning for David. Can he always be sure of you and will you always be sure of him?

HOW CAN I BE SURE?

How can I be sure,
In a world, that's
constantly changing,
How can I be sure,
Where I stand with You.

Whenever I—
Whenever I'm away from
you
I want to die, 'cause you
know I want to stay with
you.

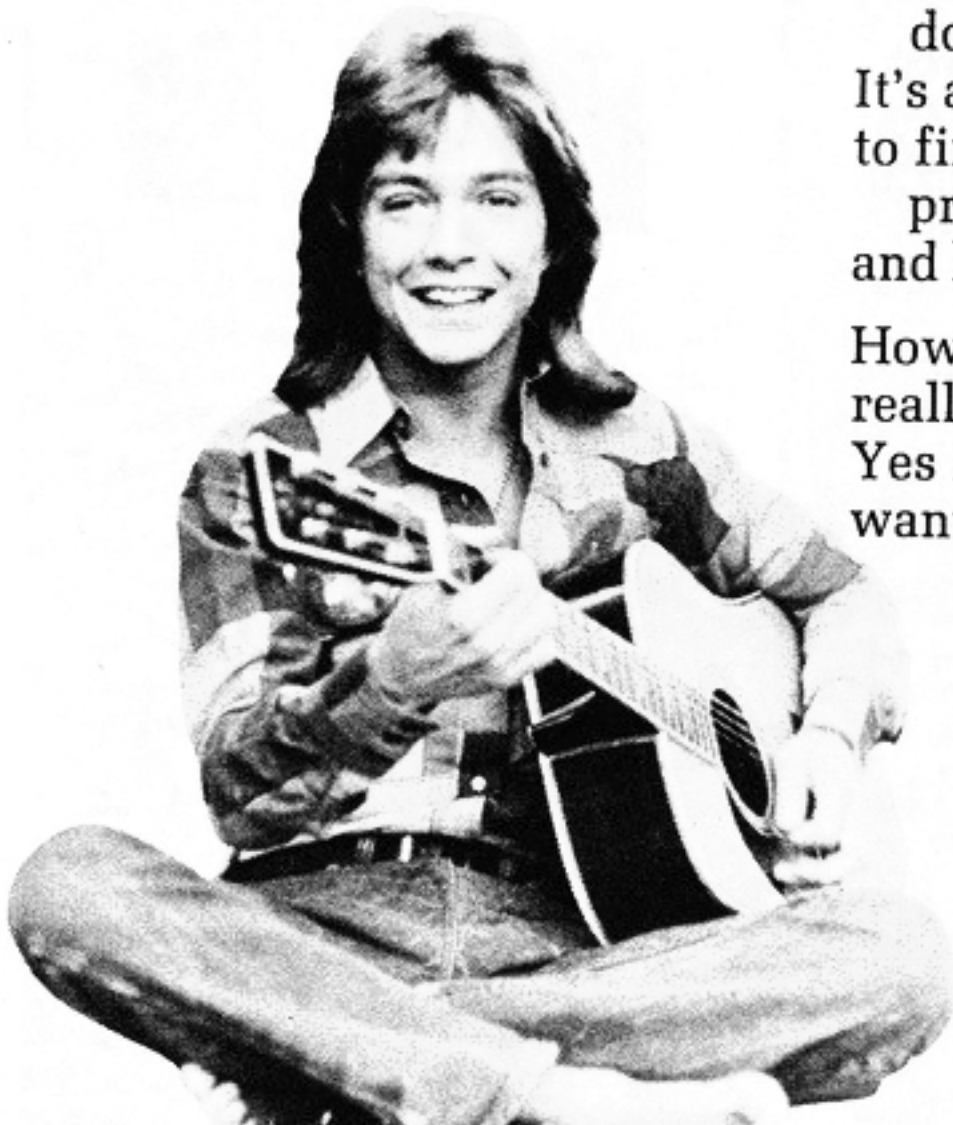

How do I know
Maybe you're trying to
use me
Flyin' too high can confuse
me
Touch me but don't take me
down.

Whenever my alibi is
tellin' people I don't
care for you
Maybe I'm just hanging
around
with my head up, upside
down,
It's a pity I can't seem
to find someone who's as
pretty
and lovely as you.

How can I be sure, I really
really really want to know
Yes I really really really
want to know

How's the weather, whether
or not we're together
Together we'll see it much
better, I love you
I love you forever
You know where I can
be found.

How can I be sure
in a world that's
constantly changing
How can I be sure
Where I stand with you.
