WOOOOOOOOOOOOOOOW!

I'm neither going to write a poem nor a long letter. All I'm going to do is express how I feel about David Bruce Cassidy and that is WOOOOOOOOOOOOOW!

An Expressive Person

A GREAT FAMILY

Ever since I saw the Partridge Family I knew they were great! But being a girl, I must say a few words about David. I really dig him, not as an idol but as a person. I have been to one of his concerts and it was just the greatest. He seemed to be pretty happy giving his performance and he was surrounded by the fans who love him and he loves his fans. I'd like to say much more about him but it would take up too much room. One more thing—the Partridges are GREAT!

Dear Sharon,

I've heard so much from my girlfriends about David Cassidy's Concert Tour book. They say it's really great and that I'd better hurry and get my copy. Can I still order it?

Dear Renay,

I agree with your girlfriends and if you turn to page 15 you can send for your very own copy today.

SO MUCH HAPPINESS

I opened up my January issue of The Partridge Family Magazine and there it was! MY letter, printed in "What You're Saying." I was almost ready to give up writing letters and

reading your magazine, but NO more! I have become much more trusting and devoted to David Cassidy, the Partridge Family and your GREAT magazine. Thanks for so much happiness.

Thanks,
Bonnie Shear

Dear Sharon,

I like to watch the Partridge Family so very much and boy do I enjoy it. In the November issue of Partridge Family, Shirley Jones gave some beauty tips that I think are really great. And you know what? I'm going to stick to 'em.

APPEALS TO ALL

One day my 2 year old cousin came into my room and when she saw the pictures of David on the walls she said, "Look! There's Keith!" So it's a fact that David appeals to girls of all ages.

GROOVY SUSAN

Boy did my heart flip out when I turned over the February issue of Partridge Family Mag and saw beautiful Susan Dey. Immediately I cut it out, framed it and hung it on my wall. Every night before I go to bed I give her a big-big kiss. I hope to see an issue dedicated to this groovy girl and so do thousands of others.

Dear Sharon,

I know I'm probably the last girl to get Susan Dey's "For Girls Only Book," but I'm probably her biggest fan. Is it too late to get a copy?

Dear Last but not least,

No, there's still time for you to get your very own copy of "For Girls Only." All you have to do is flip over to page 59, and send in the completed order blank.

BRIAN FORSTER FOREVER

Sharon, can you please tell me how old Brian Forster is and what his height is? More than anything in the world I'd like to know this. So can you please put this in the next Partridge Family Magazine?

Dear Beverlee,

Brian is 4'3" tall and is 12 years old.

DANNY'S DOUBLE

All the guys at school call me Danny's double because I really do look like him. I'm the same height, probably the same weight and I also have a red mop of hair and lots of freckles. I really think it's pretty groovy to be Danny's double.

TO DAVID WITH LOVE

Like the ocean so crystal clear and beautiful,

my love for you is completely wonderful.

The glitter of your eyes is overwhelming and so divine, you have the charisma to make me want you to be mine.

My devotion for you does not have to be spoken, it's a special kind of love that
