

Partridge People

So, you're a Partridge Fan are you? Then this corner's just for you! If you'd like to see your picture in "Partridge People," just send one along to Partridge People, 7060 Hollywood Blvd., Hollywood, Calif., 90028. Include a brief biography of yourself — such things as height, weight, age, name, address, favorite subjects, hobbies, and most important — why you enjoy watching the Partridge Family each week!

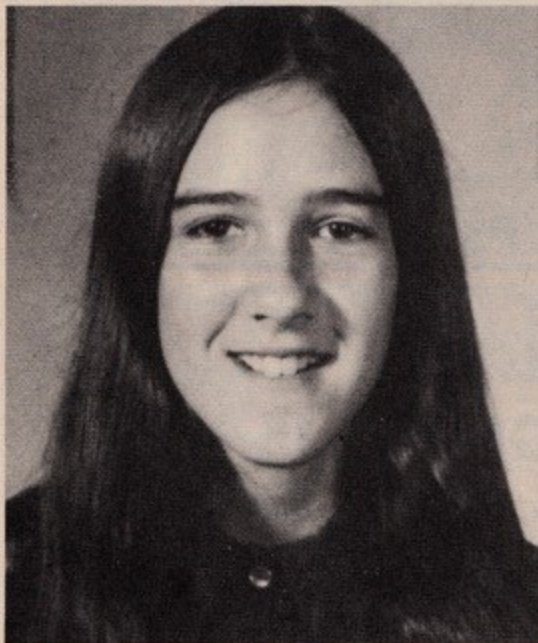

LESLIE KOCH:

Hi, everybody! My name is Leslie Koch and I'm 12 years old. I live near Reading in Pennsylvania and am a 7th grader at Twin Valley High School. My hair is light brown, my eyes are bluish-green, and I stand 5'2" and weigh 87 pounds.

I watch the "Partridge Family" because I love David Cassidy and Shirley Jones! I really envy their talent and remarkable singing voices! I enjoy singing along with the group, as well as participating in sports, and swimming is one of my favorites.

I guess you could call me a loner because I love to relax by going to sleep! I also dream a lot, and when the weather's nice I like taking walks by myself just to think about things and daydream. My goal in life is to move to Hollywood and someday become an actress. But until then I'll just have to be content living at home, dreaming, and watching the "Partridge Family" on television every week!

MARILYN BUTCH:

Hi! My name is Marilyn Butch and I'm from Struthers, Ohio. A lot of my friends are just wild about the "Partridge Family," and my feelings are just the same! I won't go anywhere or do anything when the Partridges are on TV, 'cause after all, just watching their show, makes Friday the best day of the week!

I am in the 7th grade and stand 5'3" tall. I have long brown hair and dark brown eyes, and weigh 107 lbs. During the summer I love to swim and

just stay out in the sun! I also like to travel and fell in love with California the last time I was there. Now I'm hoping I'll return there soon and be lucky enough to meet the Partridges!

When David was performing here in Ohio the temperature was about 90 degrees. But as hard and tiring as it may have been for him, David sang his heart out and staged a beautiful show! I *know* that I'll be one of his biggest fans forever!
