

what susan means

shirley jones

"What impresses me most about Susan is the fact that she goes out of her way to do things for people, and they always remember her kindness. I don't think Susan's got an enemy in the world, but then, there's no reason why she should!"

danny bonaduce

"I feel I've gotten to know Susan well since the beginning of the 'Partridge Family' and I've enjoyed working with her everyday. She treats me, Suzanne and Brian just like a real sister would. In fact, I wouldn't mind adopting her into my family!"

robert dey

(Susan's father) "I've watched Susan develop into a beautiful young lady over the years, and it really makes me proud! She's got her own home now and maintains a career, but no matter how independent she may be, I'll always consider her 'my little girl!'"

gail dey

(Susan's step mother) "How do I feel about Susan? Well, she's my daughter, I love her and she means very much to me! When I see how much she's accomplished in just a few short years, it makes me feel very proud!"

tommy dey

(Susan's brother) "Susan has always been more than just a sister to me. She's been very understanding. When I'd be facing trying times and needed someone to help me through them, she was always willing to lend an ear and give me helpful suggestions. Susan's a terrific girl in many ways, and I'm glad to say she's my sister!"

elisabeth dey

(Susan's younger sister) "Even though Susan is older than me, I've always felt free in turning to her for a word of advice or an older sister's opinion. I'm glad to say that even though we now live miles apart, I can still get on the phone for advice or conversation and know she'll be there like she's always been in the past!"

sam hyman

"First impressions are usually lasting ones with me, and I've got to admit I was most impressed when David introduced me to Susan. I immediately liked her happy-go-lucky attitude, and the ready smile upon her lips. She looked like someone who'd be lots of fun to know, and when I went over to talk to her, I knew that I was right!"
