

FUN 'N GAMES

A. _____

This midget munchkin was on *The Munsters* on CBS-TV for two years!

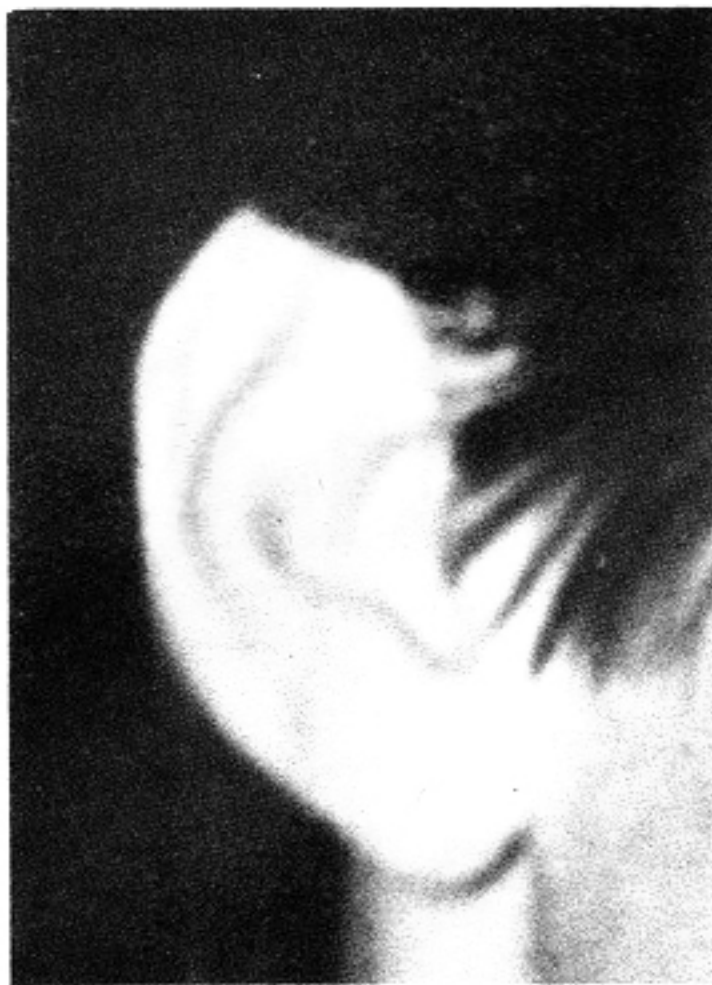

YIPPEE-SKIPPEE-FLIPPEE-DIPPEE—good old **Fun 'N Games** is about to give you the biggest eyefull of **exotic ears** you ever saw!! Mind you, it's not easy to see ears these days—what with long hair being so in fashion!—but **16** combed through each and every **bee-yoo-tee-ful** top star picture in order to find photos of your favs which would reveal their tiny, pink, pretty, sometimes freckled (but never dirty) audio-orifices, commonly called **ears**! The true test of a genuine fan just might be correctly identifying your favs' super-sensitive, sweet 'n sexy **ears**!!

So get your pencil ready, read the hint under each star's pic—and print the name of the star **you** think it is! This month's game is a tuffee, but remember—just like always, it's all in fun (as in **Fun 'N Games**), anyway! When you've written down **your** guesses as to whose **elegant ears** these are—turn to page 66 to find out if you are **right**!!
