

DAVID'S OWN PERSONAL PHOTO ALBUM

PART IV

GREETINGS to all you David Cassidy photo collectors—and welcome back to the intimate world of David's very own personal photo album!! Our travels with David thus far have taken us up to just before his sixth birthday. Now let's pop back into David's past—and see what's happening!!

David and his cousin Barbara—paper hats, streamers, balloons 'n all—at David's sixth birthday party.

Most little boys wait 'til they grow up to become firemen, but David decided to give it an early try—so he washed down the garage with the garden hose that summer!

Another family Eastertime pic in West Orange, New Jersey. David, Barbara and other relatives pose prettily.
