LEARN TO SHARE

This letter is directed to the two girls who signed their letters "Mrs. Merrill Osmond to be" and "Mrs. Jay Osmond to be." Shame on you! The only girls who can really say that are the girls the Osmonds plan to marry. I'm sure the boys were flattered, but think of the rest of their fans. Remember, people should share and share alike!

LOVE THOSE PIX

In your February issue of FaVE someone said you should have posters of the faves puckering up so that they can kiss them all the time. Well, I like the pictures the way you've had them, so please keep them the same!

Debbie Castillo

ANOTHER OPINION

I agree with the girl who wanted "puckered up" pictures in FaVE, 'cause when I go to kiss pictures of Donny Osmond, I wind up kissing his beautiful teeth!

HOW ABOUT HAVING BOTH KINDS OF POSTERS SO THAT THERE'S SOMETHING FOR EVERYONE?

SCOOPS FROM SUSAN

In your recent FaVE magazine I saw an advertisement for Susan Dey's book "For Girls Only." I want to know if it'll be sold in stores soon?

Heather Breedlove
Akron, Oh.

YES, SUSAN'S FIRST PAPERBACK BOOK WILL GO ON SALE THIS MAY!

BETTER GET READY

I hope that all you Donny Osmond fans out there are watching closely because he sure is growing up fast! Don't get too attached to his high voice because any day now he's going to start sounding like Merrill! And if you like your men big, he'll probably wind up being around 6' tall, just like his brothers! I think it's fun watching how he's growing up, and I just thought I'd mention it in case any of you are missing the clues! You shouldn't get too hung-up on his little boy appeal because soon it will be changing. But don't worry—his big boy appeal is sure to be even better!

IS THAT YOU, BARRY?!

SEEING DOUBLE

I went to the Osmonds' fabulous concert at the Inglewood Forum, and as I was wandering around, hysterical because I lost my ticket, I was sure I spotted Barry Williams! I didn't feel like talking to him just in case it was somebody else, but still I'm positive it was Barry! If it wasn't, someone ought to inform him he's got a double wandering around Southern California! Will you ask Barry if he went to the concert?

Curious fan,
Santa Ana, Ca.

YES, THAT WAS BARRY YOU SAW AT THE OSMOND CONCERT!

SUPER RECIPE

Susan Neher's "Crunchy Cake" recipe in your January issue is the most delicious cake I've ever tasted. My advice to all of you reading this is "Go out and try it soon!" By the way, Susan must be a genius!
