THE PERFECT TOUCH

I agree with "Knows Better" in Tempe, Az. about David Cassidy wearing jeans to his concerts. I love seeing David in jeans and a ribbed shirt, but there are times when more dressy clothes is appropriate. And concerts are one of those times! I've been to concerts when he's worn both kinds of outfits, but I must say that his stage costume adds the perfect touch!

HURRY, BOBBY!

Bobby Sherman's warm and friendly smile sends shivers up my spine! I love listening to him sing and play his albums over and over. Someday I hope he'll come to my town. I know I'll always love him!

FELL IN LOVE

Guess what? I've just discovered a beautiful guy named Wayne Osmond, and I fell in love!

BETTER COOL IT!

I'm really tired of reading letters in your magazine by girls who are telling David Cassidy how he should wear his hair and how to dress at concerts. David is 22 years old and I think he knows how to dress and wear his hair! So to all you girls who want to criticize, just cool it for a change!

STUCK ON STERN

I was looking over an older issue of FaVE with "Foto Fun With Wes & Susan." Facts be known, I LOVE Wes Stern! I just wish that the pictures were of me with Wes instead of Susan!

NOTE TO MARIE OSMOND:

I tried your recipe in FaVE (Marie's Super Salad) and you know what? It was great! Even my family liked it! Keep up the good work, and I hope you have some more recipes in the magazine!

"OLDSTERS" SPEAK OUT

It seems that every time someone wins a really big contest like "Be Adopted By the Osmonds," the winner is always about 14 years old and is never from California. If you think that older girls aren't just as much in love with their faves or that California girls have a better chance meeting their faves on their own, you'd better think again! I've entered contests for years and have never won a thing. I've also never run into a star on the streets, so people in Texas have just as much a chance meeting someone as I do! Please don't overlook us older girls, especially from California! We need a break, too!

LIKES THEM BOTH

I'd like to say one thing about the new star Michael Gray. I think he's cute, but I still think David Cassidy is the best looking guy in your mag!

TO TELL THE TRUTH

This letter is for the girl in Buffalo, N.Y. who signed her letter "Mrs. Jay Osmond to be." Don't you know that it's not right to go around impersonating someone? You see, I am Mrs. Jay Osmond to be!

Happy in Salinas, Ca.

DIETER'S SPECIAL

I just wanted to say thanks to David Cassidy for helping me lose 50 pounds! I used to weigh 165 lbs., and for someone who's only 5'3", that really is a lot! If it wasn't for his sweet smile and bright eyes I would've never had a good enough reason for getting the willpower to lose my weight. I only hope that someday I will see David in person and be able to thank him myself!

NEW YORKERS PREDICT!

I'm sure that millions of others agree with me that in a few short years Jimmy Osmond will be a smash just like his wonderful brothers!
