

ALTHOUGH SOME RECORD REVIEWERS point out various similarities in the music of MICHAEL JACKSON and DONNY OSMOND, their fans don't agree.

DAVID'S RECENT EUROPEAN vacation included a TV talk show interview in London. He learned to ski in Italy, and now he skis every chance he gets!

DAVID JONES RECENTLY did a pilot called "POP" where he acts as host and interviews guests like MICHAEL GRAY. Watch FAVE for the airing date!

conservationist who will not have anything to do with further endangering animal life on this planet. You'll never catch MARY wearing real animal furs of any kind. MARY thinks it is unforgivable to kill an animal for its fur. That is why she is currently crusading for synthetic fur apparel... "The Little People," the pilot film being made by BRIAN KEITH, will also star his real life wife VICTORIA YOUNG. If the series sells, BRIAN and VICTORIA will really start enjoying their work, because the show is set in Hawaii where it will be filmed... BILL BIXBY likes to work when he has some time off from "The Courtship of Eddie's Father." In his spare time, he recently acted in a "World Premiere" titled "Three Faces of Love." BILL plays a computer expert. And his computer falls in love with pretty JULIE SOMMARS... There's a whole new career ahead for LEONARD NIMOY. Universal has just signed him (and his company, Petunia Production, Inc.) to a very impressive contract. Not only will LEONARD be guest starring in many films made at Universal, but he'll also be called upon to direct. He may even be starring in a brand new series from Universal. And just now there are some indications that the defunct series "Star Trek" might be coming back to TV because its fans won't let it stay dead. Where does this leave Mr. Spock?... FLORENCE HENDERSON is making personal appearances all over Reno and Las Vegas. She has her own nightclub act which is doing extremely well. This came as a surprise to fans who knew her only from "The Brady Bunch"... TWIGGY, star of the film "The Boyfriend," is continuing her new image as a 1930s style singer and dancer. She has formed a company called Good Times Good Action with her boyfriend JUSTIN. This June or July they go to Rome where they'll shoot a spoof on the old musicals called "Gotta Sing, Gotta Dance"... After turning up as a guest star on FLIP WILSON and GLEN CAMPBELL's shows, JIM NABORS will soon be doing his own special. The show will be aired sometime this year over CBS... "The Fortunate Painter" is a "World Premiere" film starring two of televi-
