

LISTENERS VS. SCREAMERS

This letter is directed to the girl who signed her letter "A listener." I'd like to present another side of the story! When I go to a concert I want to enjoy myself, by screaming, shouting, and crying! I went to concerts of the Osmonds, David, and Bobby, and it seemed like both the Osmonds and Bobby's reactions to the screams were "I guess we'll just take all of you home with us!" Besides, to our faves, what would a concert be without the screaming and excitement?

MORE ON MICHAEL

We think your magazine is really great, so please keep up the good work! Our little sisters, Jessica and Bridget, especially like the articles on Bobby and Donny—they think you should devote the entire magazine to them! But we feel you should keep Michael Gray in them, and that will keep us buying it!

Cheyenne & Cassandra Scott
Lyndhurst, Oh.

LOVE IS THE ANSWER

This letter is for the girl who wrote to say that Bobby Sherman always wears the same choker. That's the most ridiculous thing I've heard! If that's all that's "wrong" with him, then that's fantastic! If you don't care for Bobby, just put him out of your mind. That's what I've done with David. People are too eager to criticize the most trivial things. Instead they should realize that love is the answer—and I love Bobby!

LOTSA DAVID LOVE

Ever since David Cassidy was discovered he's made my life seem happier. I wake up in the morning and there's his picture on my wall, and I feel safe and cozy when I'm alone and no one else is home but David and I. All in all, he gives me a nice feeling and a smile that could melt anyone's heart! I know I'll cherish him forever!

WHY?

Why can't you print my letter like other girls? Is it because of the color of my skin? I'm black and I love people of all races. Please explain what's going on.

Love,
Cardelia
