

fitting into the family picture. He looks so at home. How do they manage?

Gloria Feld

Dear Gloria:

Yes, we have talked about Brian before, but he's a great little kid, so we don't mind doing it again. The folks in charge of the Partridge Family show looked for a long while to find someone who would fit in with the special magic that the Partridge kids seem to have going for them. They finally found Brian, and everyone has been just delighted with him!

Dear Cecelia:

I never thought I'd write a letter like this one because I thought the 1971 Partridge Family Fan Club was the greatest thing in the world. But I just joined the new club, and guess what? It's even better! Thanks a lot for all the fun and information!

Barbara Jean Thomascetti

Dear Barbara Jean:

Thank you! It's just great for us to hear things like that. We all worked extra hard to make this year's fan club better than ever, and just to hear that you think we succeeded is sheer joy!

Dear Cecelia:

Is Suzanne Crough really a tomboy? Somebody told me that she loves to climb trees and ride mini-bikes! She looks kind of little for that to me!

Louise Beetle

Dear Louise:

Indeed, Suzanne loves all kinds of outdoor sports. Can you imagine getting along with Danny and Brian if she wouldn't hold her own in baseball, kite-flying and racing? She'd be lost!

Dear Cecelia,

How many autographs does Danny sign in a day?

Malinda Burke

Dear Malinda,

It depends on the day! I remember one time that Danny decided to count the number, but he stopped counting after two hundred.

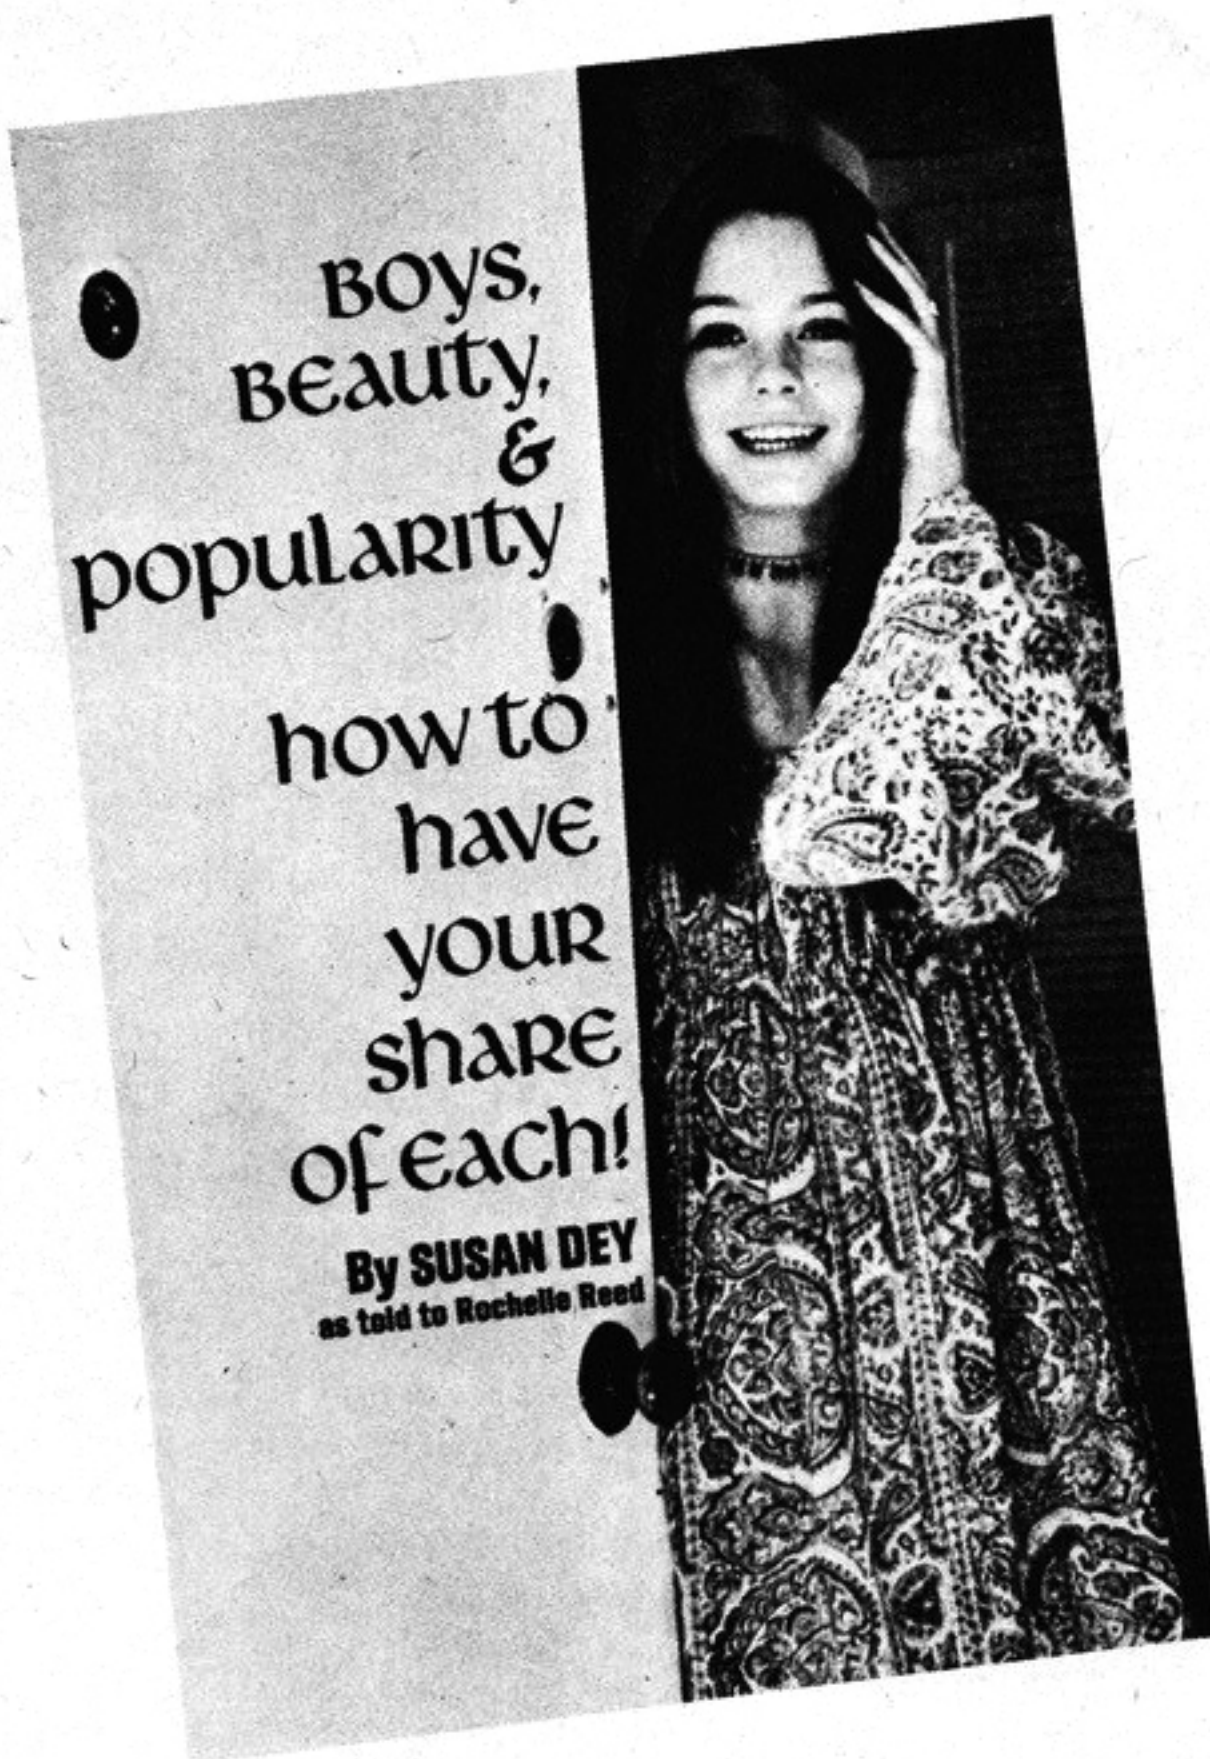

Dear Cecelia,

I know EVERYBODY asks you this, but please, just one more time. Does Susan date David?

Peace,  
Georgia McCallen

Dear Georgia,

O.K., one more time! No, no, no, Susan and David do not date. They are good friends on the set, but they do not date.
