RUMORS HOLLYWOOD

Dear FaVE,

Today I went to see a fairly old movie called "Wild in the Streets" (it was made in 1968). Anyway, there was a boy in it who looked a whole bunch like Barry Williams of the "Brady Bunch!" Am I right?

Mary Lanes
Chicago, Ill.

Dear Mary,

You're absolutely right! "Wild in the Streets" was one of Barry's first professional acting jobs and his very first movie role. Barry played Christopher Jones' role as a young boy in the movie.

Dear FaVE,

I heard that Merrill Osmond was thinking about doing a 7-Up commercial because he really loves the drink. Is that true?

Laura Darany
Royal Oak, Mich.

Dear Laura,

No, Merrill is not doing any commercials for anything. He's way too busy with all the concerts, recordings, and TV appearances he's been doing with his brothers to do a solo effort on commercials.

Dear FaVE,

Was David Cassidy ever on the "Dating Game?" I have a bet with this guy who says he saw David on the show. Please tell me the answer!

Kimberly
Lansing, Mich.

Dear Kimberly,

David did appear on the "Dating Game" show once... it was way before the Partridge Family show came on the air!

Dear FaVE,

There is a rumor going around here. They say that Marie Osmond is not the Osmond's real sister. They say she was adopted, but I don't believe it!

Eneida Caraballo
Manhattan, N.Y.

Dear Eneida,

The truth is Marie Osmond is indeed the Osmond's real sister—and she is their only sister too. That rumor might have gotten started through the contest called "Be Adopted by the Osmonds"—but that lucky contest winner was Pam Turner. As for Marie, the boys gladly claim her as their own real sis!

Dear FaVE,

Is it true that Brian Forster got burned in a fire and his hair was all burned off? It's sort of hard to believe that all that beautiful blond hair isn't his!

Kathy Moir
Pompton Lake, N.J.

Dear Kathy,

And you shouldn't believe a word of that rumor either. Brian's hair was not burned off in a fire. It's true that Brian was frightened by the big fires that raged through California several years ago, but he wasn't hurt in them. All his hair is very much his! No wigs of any sort for cute Brian!

Dear FaVE,

My friend's mother heard on one of the radio stations (and her mother wouldn't lie) that Donny Osmond got married in Las Vegas. I keep telling myself that it isn't true, but it won't go through my head! Please, FaVE, please tell me the truth!

Karen Porcaro
Bronx, N.Y.

Dear Karen,

Don't worry another second about Donny being married—Donny Osmond is NOT married! We know that it's pretty easy to get married in Las Vegas, but 14 is pretty young even for Las Vegas. Besides, Donny really doesn't believe in getting married at such a young age. The radio station must have been talking about another Donny!
