

What kind of brother would Michael or Jermaine Jackson, or Danny Bonaduce or David Cassidy be to you?

One way to find out is to really look closely at the kind of

brotherly relationships they have with each other! And, even though Michael and Jermaine are blood brothers and David and Danny have kind of "adopted" each other as brothers on the set

of *The Partridge Family*, their relationships with each other prove once again what a load of love these four great guys have to share with you!
