SUSAN

Q. Has Susan Neher done anything special since the cancellation of "Getting Together?"

A. Susan has done several things along the lines of acting, and one of her most recent appearances was in a segment of "Love, American Style" with Ronny Howard. The episode served as a pilot for a new series, which might sell and become a series later this fall!

Q. I've been told that Angela Cartwright has a sister who's an actress. Is this true?

A. Yes, it's true. Angela's older sis, Veronica, has been an actress ever since she was a little girl!

Q. What school does Maureen McCormick attend?

A. Right now Maureen's busy schedule is preventing her from attending a public school, so she has a tutor on the set of the "Brady Bunch," named Frances Whitfield.

MAUREEN

WAYNE

Q. Which of the Osmond boys drive and have cars?

A. Both Alan and Wayne drive, and use Alan's Cadillac for transportation. At this particular time, neither Merrill nor Jay has his driver's license.

Q. I have noticed in every issue of TiGER BEAT there is a section called the "Memory Book." I really like it, but wanted to know if there's a special book we're supposed to put the pictures in?

A. No, there isn't any "special" book for the Memory Book pictures and biographies. Instead, this is where your imagination comes in! Just make a cover of your choice, and bind your pictures together by punching holes in the circles provided to the left of the picture. See page 75 for this month's memory section featuring Donny and Jimmy Osmond!

Q. I'd like to know how old Jay Osmond is, as well as his middle name.

A. Jay Wesley Osmond was born March 2, 1955, which means he just celebrated his 17th birthday!

Q. My girlfriend bought a record called "Buskers," and the songs on it were done by a variety of English artists. Can you tell me what "Buskers" means?

A. The term "busking" means to play music without written arrangements, and often it's done on streets where the performers can make money from passers-by. Many popular artists in the past got their start in music by busking years ago, and among them were Donovan and Chad & Jeremy.

Q. Did David Cassidy really win a "Golden Apple" award? What IS a Golden Apple award?!

A. The Golden Apple awards are presented annually by the Hollywood Women's Press Club for best actors, actresses, newcomers, etc., and we're glad to say that David was the recipient of the award for the best male newcomer in their most recent presentation. Other nominees in the newcomer category included Mitch Vogel and Ben Murphy.

DAVID

DONNY

Q. Is it true that Donny Osmond had his appendix taken out?

A. Yes, Donny's appendix was removed last September, and he's fine and in perfect health now!

Q. Do you know if Chicago personally answers their fan mail? They're my favorite group, and I'd like to write them a letter.

A. Write to Chicago at 8600 Melrose Avenue, Los Angeles, Ca. 90069, and mark your envelope to the attention of "Chicago Correspondence." You'll be pleased to know that the group personally answers all their fan mail!

Q. Please tell me where and when Arthur Wild, Jack's gorgeous brother, was born?

A. Arthur was born September 8, 1951 in Oldham, England.

Q. I saw Mark Lester in "Who Slew Auntie Roo" for the second time today, and just flipped for him all over again! He is a gorgeous guy! Please tell me how old he is, and if he has any brothers or sisters?

A. Blond-haired, blue-eyed Mark will be celebrating his 14th birthday this coming July! He has an 11 year old sister named Davina!
