LOOK AGAIN

In your December issue we read the letter by two very jealous girls criticizing Susan Dey's figure, but we don't think it takes a girl with an hour-glass figure to be attractive. Even though Susan is not as built as some girls, she has great facial features and a personality to make Susan Dey what she is and not what other people want her to be.

SETTING A RECORD

I've read quite a few letters about the Osmonds' concerts attracting 5,000 kids, etc. Well, when they performed at the Canadian National Exhibition the concert was sold out with over 20,000 fans buying tickets! How's that for drawing a crowd?!

DAVID AND LOVE

David leans strongly on love, and I agree with him all the way! I'd like for others to agree with him too if they don't already. He turns me on—his singing, acting and his thoughts!

SPOOKY OBSERVATION

Did you realize that everyone in the Partridge Family except Suzanne Crough is a fire sign in astrology? David, Shirley and Brian are Arians, Susan and Dave are Sagittarians, and Danny is a Leo—all fire signs. No wonder the Columbia Ranch burned down last year!

PASSED THE TEST

I took the Osmond Love Test in your Dec. issue and I passed. I answered all of Donny's questions right (which just goes to show what a little reading can do!), made only two mistakes on Jay's, one on Merrill's, one on Alan's, and all right on Wayne's. I think I did pretty well, and I just wanted to say that your magazine is great. So are the Osmonds!
