PARTRIDGE FAMILY FAN CLUB NEWS CONTINUED FROM PG. 19

No sooner had Suzanne returned to the set, than Dave Madden had cornered her . . . along with the two younger Partridge boys, and demonstrated a new magic act! Many Partridge fans already know that Dave is a one-time magician, and he was in top form! Danny watched every move Dave made, trying to figure out how the tricks were done.

"I'll buy an ice cream for anyone who figures this one out," Dave said, looking at Danny!

Dave pulled a handkerchief out of his pocket and put it on the table.

"Now, watch the ghost!" Dave said, and the handkerchief jumped!

THE WORD GAME

People on the Partridge set always seem to have some kind of game going! The latest craze (taking the place of crossword puzzles) is The Word Game.

Susan and Jane were busy figuring out a word puzzle, when I arrived, and Susan explained the game to me.

"You can buy a little booklet at any supermarket . . . you know, those little books on calories, hairdo's, fortunes, and astrology . . . well they have one on the Word Game too! Open the book to any page and you'll find a puzzle. It looks like just a bunch of letters scrambled together, but really there are words in there and the trick is to find them! This page says to find a lot of names of famous authors, but so far Jane and I have only found one."

Sound confusing? Maybe you'll have a chance to visit the Partridge set, and you can have Susan explain it.
