

DAVID CASSIDY HAS MOVED for the third time since starting his series. Roommate **SAM HYMAN** shows the Spanish-style home he & **DAVID** picked out.

THE TWIGGY ON THE LEFT has come a long way from her modeling days! Now she's proving her acting and singing talent in "The Boyfriend," R.

MORE THAN SIX YEARS have passed since **SONNY & CHER** first appeared on the music scene, showing that true talent is their secret for success!

will continue to be seen on television. Right now he's going the daily quiz show route. **WES'** stand-in on "Getting Together," **RONNIE STEIN**, says that **WES** is too good an actor and too determined to act not to get another series before long... "Marcus Welby, M.D." is so popular overseas (where the show has been syndicated) that star **ROBERT YOUNG** is making appearances all over that continent. If you're reading this column in Italy, Israel, Holland, England, Ireland, Belgium or Germany, maybe you'll see him in person... Did you catch **GEORGE HARRISON** on the "Dick Cavett Show?" **GEORGE** was quite reticent at first but finally opened up to say some very heavy things. Unlike **JOHN LENNON's** appearance on the show, **GEORGE** talked more openly about the **BEATLES**. I for one would like to see **GEORGE** on the show again—performing... British "Dracula" **CHRISTOPHER LEE** is dismayed over his latest movie for Hammer Films. The other Dracula movies in that series were all well thought out and placed during the 19th Century. But "Dracula Today" (formerly "Dracula Chelsea, '71") has changed things. Now Count Dracula is revived by a group of hippie Satanists in the modern day world... Since the passing of their TV series, **SONNY** and **CHER** have been busy performing live. One of their latest engagements was at the Grove, a newly opened entertainment spot, where they did extremely well... Those of you who enjoyed the movie "Willy Wonka and the Chocolate Factory" should be glad to hear this news. The producers are seriously thinking of making a sequel. I doubt it will be called "Son of Willy Wonka."... Speaking of sequels, American-International's "Abominable Dr. Phibes" starring **VINCENT PRICE** was so popular that a sequel, "Dr. Phibes Rises Again," is in the works. **VINCENT PRICE** fans who have never seen a three dimensional movie will be happy to know that his classic "House of Wax" is in current re-release in 3D... **SALLY FIELD** has
