

House!!! *

DAVID'S FAVORITE PLACE IS HIS BEDROOM which has a tower for him to go for relaxation. Here is where he'll keep his guitar, and the only furnishings are a deep pile carpet and lots of large cushions. He can sit here and look out over the endless view of a very beautiful lake. A complete stereo sound system, with a hook-up for the whole house, is in his bedroom.

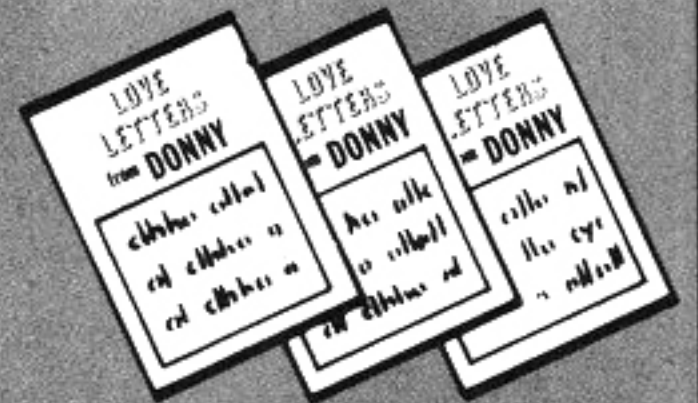

JIM HALL, 20, JEAN SANDER, 19, AND LEE DUNAGAN, 21, are the three young architects who worked with David to come up with a house that would completely reflect him. Besides guest space, there are four bedrooms for David's future family, and the kind of kitchen that will make cooking a breeze for the lucky girl David chooses to share his dream home!
