STOP THE RUMORS!

Don't believe any stories you read about David Cassidy's marriage to Susan Dey because they are not true. Believe what David and Susan tell you. There are no engagements or marriages, and if you are true fans, you won't believe these awful stories. David and Susan are just very good friends.

CHERISH FOREVER

I wrote a letter to Donny Osmond thinking he wouldn't write back, because I know he's so busy. But boy, was I wrong! Donny wrote back, and it's something I will cherish all my life! I'm really crazy over Donny, and I think of him more than he'll ever imagine!

DAVID IN SCHOOL

In my English classroom on the bulletin board there is a sign that says "Common nouns" and another that says "Proper nouns." Under common nouns there are pictures of common things, but under the other category there's a picture of David Cassidy! It sure makes English class fun when you can look at gorgeous David for a whole hour!
