RUMORS

Dear FaVE,

Wow! I saw cute Chris Stone on "Marcus Welby" not too long ago and fell in love with him all over again! Then I heard that that was his final TV appearance—I'm so unhappy!

Rose Turner  
Portland, Ore.

Dear Rose,

Don't be unhappy! That certainly was not Chris' final TV performance—you'll be seeing more of him! Chris is a dedicated actor and he wants to stay in acting for a long time!

Dear FaVE,

Is it true that Michael Gray has grown a big beard and moustache? I hope it's only for a role because I think it would be a shame to hide that gorgeous face of his behind gobs of hair!

Carole Christin  
Beech Grove, Ind.

Dear Carole,

Michael has not grown a moustache or beard for a role or anything! He's still clean-shaven and absolutely handsome! But Michael says, "If a role called for a lot of hair, I certainly wouldn't fight it... it might be fun to have a hairy face for awhile!"

Dear FaVE,

Is it true that David Cassidy is dating a famous actress who has recently separated from her husband? This actress is supposed to have two children and David is supposed to be madly in love with her!
