

STAR TWINKIES
continued from page 6

DAVID 4-EVER!

Dear STAR Mag,

I am 22-years-old and I am hopelessly and forever in love with Darling, Delightful, Delicious David Cassidy. My mother and my girlfriend Pam say this is because I'm silly. But I don't agree. I would rather have a pin-up of David and stay alone in my room staring at it than give my two boyfriends Phil and Jay any of my time. I know that David will find me.

Priscilla McCaffery,
Inglewood, New Jersey

Dear Priscilla,

Hold onto your belief in David. He will not let you down no matter what your mother or your girlfriend say. Your girlfriend Pam especially is just jealous.

"I WANT KISSING LESSONS!"

Dear STAR Mag,

Me and my girlfriends really learned alot about kissing from Michael Gray in last month's "Great Kiss Debate!" There's only one problem. How do we sign up with Mike for a few in-person lessons?

Jody Lee and cronies,
Montreal, Quebec, Canada

Dear Jody and cronies,

Write to Michael c/o STAR Mag and ask him! Mark your envelope plainly with your name on the outside and we'll be sure he gets it. STAR hopes you'll get all "A's!"

ALOHA!

Dear STAR Mag,

My dad is in the Navy, stationed in Hawaii and we live in the town of Kahuku, which is right near where David stayed when he was in the

Islands! As a matter of fact we know the Kamanes and I see Spiffy almost every day! I met David when he was here and I can't believe that thanks to STAR Mag I now have a full-color pinup of both David and Spiffy together! Aloha to you all!

From the Kahuku Cassidyites
Kahuku, Hawaii

Dear Kahukus,

Please send us some Poi and lau-laus along with some sushi. We're hungry for da kine!

TAKE A SHOWER WAS TOO HOT!

Dear STAR Mag,

Never in my whole life did I expect to "Take a Shower with David!" As a matter of fact, just to be on the safe side, I hid my copy of STAR Mag under my mattress, but that night I dreamt it was glowing red hot and set my bed on fire. I screamed for my mother and she came running in and found my copy of STAR, but she didn't open it and find "Take a Shower with David!" What a close call! I'm sure glad I don't talk in my sleep! I sent in my soap right away, but what I wrote on it to David, I'll never tell!

Debbie Malone
Great Neck, New York

Dear Debbie,

All we can say is this month you better have a fire extinguisher by your bed!!

"I WAS SHOCKED"

"Dear" STAR Magazine,

I am the mother of a girl named Tish who now tells me she is a "dedicated STAR-MAGGER" whatever that means! I just want you to know that your "Great Kiss Debate" was a disgrace! Boys talking about kissing! And "Take a Shower with David" shocked me so much I had to lie down for half an hour with a bottle of smelling salts! Tish will never be allowed to buy a copy of your miserable magazine again!

Angrily Yours,
Mrs. Chris Bryson
Indian Walk, Maryland

Dear Mrs. Bryson,

Wait until Tish reads "The Seven Sexiest Kissers" and "Take a Bubble Bath with Butch" in this issue! (Where there's a STAR Mag newsstand there's a way!)

A WARNING!

Dear STAR,

I am an Editorial Assistant on one of those "teenybopper and bubblegummer" mags Nancy men-

tioned in her column "Stars in my Eyes" last month. I'm not signing my name because I don't want my Editor to fire me for reading STAR Mag. But I just want to warn all of you. All the mags' editors are really mad at you, so look out! I don't know what they're planning to print about you, but it sure looks like war!

Peace and Love,
A Friend
New York City

Dear Friend,

Thanks for the warning! STAR is only hoping that we haven't hurt the feelings of the girls who read those mags. We really don't care a hoot if those teenybopper and bubblegummer mags editors hate us 4-ever! The truth always hurts fibbers, doesn't it? And makes them mad!

JIMMY 4-EVER!

Dear STAR Mag,

I'm so glad you ran the story on Jimmy Osmond in last month's issue. It was really out-a-sight to hear Donny talk all about Jimmy, who is one of our Super Faves hear in Trenton. Please keep the stories coming on Jimmy.

Jimmy 4-ever!
Julie Ann Hobson
Trenton, New Jersey

Dear Julie Ann,

We only wish you could have been with us at the Osmond's Hollywood Concert! Jimmy freaked the whole arena out of their skulls when he came on stage. He got nearly the same screams as Donny! Check out Jimmy's concert story on page 54!

MORE BUTCH!

Dear STAR Mag,

Thanks for the super story and color pinups of Butch Patrick! I watch him on "Lidsville" every Saturday morning! It just goes to show what ding-a-lings those bubblegummer mags are by not printing more stories and color on Butch! Keep on Keepin' on!

Lorraine Hensley,
Amarillo, Texas

Dear Lorraine,

You can "Butch yer bottom dollar" we will! Butch 4-ever!
