

the Superstars!

Donny!

There'll be no doubt that you're well on your way to winning Donny's heart when you start seeing him:

- 1) Eating taffy apples all the time!
- 2) Breaking up laughing every time you look crossed eyes at him!
- 3) Being kidded by Jimmy Osmond about something secret!
- 4) Waving to you with his left hand from the stage!
- 5) Pointing his hand microphone right toward you!

Jermaine!

Jermaine will be beginning to fall in love with you for sure if you ever see him:

- 1) Looking at you with a strangely sad look in his eyes!
- 2) Start wearing a scarlet red scarf around his neck!
- 3) Play his bass guitar with just one hand and wave to you with the other!
- 4) Blow you a kiss as he leaves the stage!
- 5) Look at you over his right shoulder and smile!

All these things are really and truly the SuperSTAR's love signals! Watch for them at your fave's concerts this spring! One of these groovy Love Signs may come right your way!★
