HE'S THE HOTTEST!!

Boy! Michael Gray is such a cute and neat looking guy. I think that he is the hottest new star, as far as faves go. Already my picture collection is growing, but I wish you would print some more full page face photos of him, the groovy colored ones, so I could gaze into his beautiful eyes. After all, a picture will have to do for now.

MICHAEL

SO HAPPY!

Just want to let everyone know how happy I am again, now that Bobby Sherman has another good show on. I was really let down when I heard about "The Brides," but I think this "Getting Together" is even better and I hope that it will stay on forever. So happy to be happy again.

MAGICAL MICHAEL

I've really flipped out over Michael Jackson. I just can't believe that a twelve year old could be packed with so much dynamite. Everytime I hear his sweet lovin' voice, it sounds like magic to my ears. He really gives it all during performances and I could just look at him forever. Please continue to print the groovy pix, that decorate my wall.

STILL RATES FIRST!

Bobby Sherman will always be the one who rates first on my list of faves. I started out being a number one fan of his and even though other groovy guys came along, none of

them have knocked Bobby from his throne. My heart will continue to beat for him, because he is a beautiful, special guy.

PHILIPPE

WON MY HEART

I was looking back through some previous issues of TBS when I came across a picture of a good looking guy named Philippe Forquet. Who is this charmer and where did he come from? This is the first time I've ever seen or heard of him, but I sure hope to see lots more things on him. For you fans who might be curious, I saw this in the April '71, TBS.

MORE ON BRIDGET

I hope that you will still be keeping us informed on the one and only Bridget Hanley. I was really saddened when they canceled "Here Come The Brides," it was my favorite show. I ordered a copy of Bridget Hanley's Guide For Girls and it really is great. Please print some pictures of her little baby and run some more stories and colored pix on her.

BRIDGET

WHY?

Why does David Cassidy cause me to be restless? Why does David give me happiness? Why is he so special to me? Why have I gone crazy over him? Why does he have such a magic that captures my heart and soul? Why does David make me cry? Why does he bring excitement to my life? Why do I live for David? Why? Why? Why? Perhaps I'll never know why he does this to me, but there is one thing that I surely do know and that is that I love him from the bottom of my heart.

NO JIVIN' FIVE

To look at their pictures is great
To see them on T.V. is even greater
To see them live, right before your eyes,

has to be greater than greater.

They really are keen, they just have to be seen

They are something when they get to cookin'.

So when they're in town, start lookin' around

for the soulful group, so alive!

They really go to it, you'll see what I mean,

the fabulous

JACKSON FIVE

HALF & HALF

For a long long time Bobby Sherman has been my special fave, but then David Cassidy came along and my heart was torn between the two. But everything worked out fine, because one half of my heart is for Bobby and the other half is for David.
