**DEAR READERS:**

I want to thank each and every one of you for your thoughtful letters. I love reading each and every one of them. Time and space make it impossible for me to answer each one personally, but your likes and dislikes and your opinions are given careful consideration here at Tiger Beat. Whenever you have a suggestion, a criticism or just want to sound off about something, drop me a note. I love hearing from you!

**WISHES COME TRUE**

I'm one of the girls who was a finalist in the "Be Adopted By The Osmonds" contest, and I just wanted to let everyone know that if you really try, you can win or be a finalist too if the contest is posted in TIGER BEAT! I may not have won this time around, but I'm going to keep trying. You should too!

Dear Lori,

Don't miss our **FOUR** contests this month. See pages 4, 17, 67 and 68!

**TWIN DOGS**

I'm just crazy about Pete Duel, and when I read about him in your magazine I go wild! A few months back when I read your story on him and learned his dog's name is Shoshone, I nearly died! Our Saint Bernard is also called Shoshone! What luck!

**Joan**

**LOVE HIM ANYWAY!**

I just had a funny thought. In the songs I've heard the Osmonds sing, Donny talks about girls being too young for him. But he just turned 14 himself! It doesn't really matter though—I love him just the same!

Dear Ann,

All TIGER BEAT and FaVE readers don't know what they're missing if they don't get their magazines through the mail! I subscribe and get my magazines two weeks before they hit the newsstands, and they arrive in a protective plastic covering "hot off the press!" You get free gifts for subscribing too, and it saves money because you don't have to pay tax. Instead, it "pays" to subscribe!

**Tracey**  
**Newport News, Va.**

Dear Readers,

Everything Tracey says is true, so if subscribing sounds like a good idea to you, do it now! See page 8!

**A SPELLING BEE**

Wanna know how to spell "love" with eleven letters? Donny Osmond, that's how!

**Victoria Cole**  
**Palm Spring, Ca.**

Dear Ann,

I just completed the series of TIGER BEATs where I put together the four posters of David Cassidy. I really can't decide if I want to keep the four smaller ones or have the beautiful gigantic one! I've seen other large posters of David in other magazines, and they are just awful. The color isn't good and it makes David look awful, but yours is fantastic and looks so natural! I'm going to subscribe as soon as I can! I'd like to congratulate the person who thought of the series of David pix, your photographer for doing such a great job, and last but not least, David Cassidy for looking his all-time best!

**Cheri Nichols**

**LOVE BY ALL**

I don't think that people should cut down Bobby Sherman's music and say it's just for kids. Adults like it just as much. Just the other day my mom asked me to put on Bobby's new album on the record player. And when "The Drum" came on, she got up and danced! So there! I hope that proves my point!

**THINK ABOUT IT**

I just had to write in and tell you that TIGER BEAT is the best magazine around. I mean all the other Laufer Co. magazines are great too, and I'm sure everyone agrees. Who knows what would happen to America if they didn't have the Laufer Co. to set them straight? Think about it!

**A SECRET FACT**

You know what you've never printed about David Cassidy? Well, maybe you have, but I can't remember reading about it. Besides his gorgeous eyes, great build and beautiful face, he's just chockfull of that good old American sex appeal! Just watch him sing "I Can Hear Your Heartbeat" or "I Think I Love You" and you'll see what I mean!

**Peace,**

**BEST IN THE WEST!**

I've been reading TIGER BEAT for a long time and I've compared it to other magazines, and you come out on top every time! Your stories are much more truthful than ones in other magazines, and your story and photography layouts are better too. Anyway, I thought it was about time I let you know how much we appreciate all the work that goes into making your magazine as great as it is!

**ROOM FOR BOTH**

This is to all TIGER BEAT readers who've left Bobby Sherman for David Cassidy: Why not love them both? It's not that hard, ya know! They're both terrific guys, and I can dig 'em equally!

**Love & Peace,**

**GROOVY PARENTS**

Everyone has written about how great the Jackson Five are, and I must admit that no one has exaggerated one bit! But nobody's congratulated their parents yet so I'd like to be the first. It must be wonderful to raise five young stars and not spoil them, and success hasn't spoiled them either. It really takes a lot to raise children that way, and Mr. & Mrs. Jackson did a fine job!
