

Dear Ann,

I've subscribed to TIGER BEAT for six reasons:

1. Donny
2. Jay
3. Merrill
4. Wayne
5. Alan
6. And last but not least, it's a great magazine!

A MILLION REASONS

Lately I've latched on to westerns on the tube... namely "Alias Smith & Jones." My guardian doesn't like these guys, so in order for me to see them I have to make up a bunch of reasons about "What's So Good About Them?" To get the program tuned in on time before it's half over I begin a half-hour early trying to convince her that the show is good. Well, I've found there are approximately 7,824 reasons to watch the show, and I want to see if I can double the amount of reasons a year from now! I always win and then laugh at my slyness and triumph, but as soon as my reasons get stale, you can bet I'll be coming up with new ones!

GREAT BOOK

I'd like to thank TIGER BEAT for making it possible to obtain "The Secret Life of Donny Osmond." I used to think I was a "Donny-expert" when it came to knowing about my fave, but I learned so much more from this book alone! I hope other Osmond fans will hurry and buy their own. They won't regret it!

BEST MEDICINE

I've found the best medicine! I was sick one Sunday so I went to bed. I didn't feel too good so I put on the Osmonds' album. My headache, sore throat and fever went away! So, if you don't have the Osmonds' album, get it soon. Before you get sick!

Dear Ann,

I think you and David Cassidy should win an award for being two of the most wonderful people in the entire world! You're both groovy!

Peace,
Mary

SUSAN'S SWEET!

I've read lots of letters about Susan Dey being sweet, but I've always wondered what she would be like when confronted with her fans. Now I feel guilty that I ever had any doubts, because I had the pleasure of meeting her and found that she was as nice as she could be! She signed autographs and posed for pictures, and really made my day. I'm glad to say that I'm one of her biggest fans!

ALWAYS ON TOP

I nearly cried when I learned that "Getting Together" was cancelled, 'cause during the season it was on I felt so close to the wacky cast and crew of the show. And even though Bobby Sherman was one of my top faves, I'll admit I got pretty hung-up on Wes Stern too! He really turns me on with that super smile and look of innocence! I'm sure he'll remain on top for a long, long time!

NUMBER ONE FAVE

I may be only ten years old, but when it comes to guys, I know who I like! And if you're wondering what that means, I'm talking about Danny Bonaduce!

SCHOOL DAYS...

In my classroom at school we're allowed to decorate bulletin boards any way we choose, so my girlfriend and I got together and put up pics of David Cassidy. Now we have David bulletin boards, and if that doesn't look great, I don't know what does!

OSMOND THANKS

I've been a fan of the Osmond Brothers for a very long time and I want to send them a special thanks for making me a better person. There's something magical about the way they love and watch over each member of their family, and it makes you just want to follow their example. Because of the Osmonds, I've changed the way I think and feel, and I know I've become a better person for it. I'll remain a devoted fan forever!

Love always,
Kim
