

Dear Susan,

I like your television show and never miss it! You look so good on TV! Please tell me what the ideal weight is for a girl 5'5½"? Thank you.

Susan Post  
Phoenix, Az.

Dear Susan,

It's good hearing from another Susan—I usually don't get letters from others sharing my name! There is really no "ideal" weight for people, as it varies with the individual's bone structure. People with larger bones can weigh quite a bit more than those with a slight build, and even if they're the same height, both may be average weight! To give you an idea, however, as to what seems to be average, most girls who are 5'5½" weigh 115-120 pounds.

**ALWAYS CUTTING UP**, Danny couldn't resist showing off his new tricks for our photographer. More than anyone on the "Partridge Family" Danny is really like his character!

Dear David,

Do you wear a wig? My dad said that you might, but I say you don't.  
Susan Bradshaw

Dear Susan,

Please tell your dad that all this hair is my own. I do not wear a wig!

Dear David,

I know that the Partridge Family has their own fan club, but do you have one of your own? Please tell me how I can join!

Tanya Brown

Dear Tanya,

You have a pretty name! Yes, I do have my own fan club. It's brand new, and I'd love to have you as one of the first members! For information on what you'll receive and how to go about joining, see page 73.

**AS SUSAN GETS OLDER** (she turned 19 in December) she finds that she and Shirley Jones find more and more things to chat about. Don't miss Susan's birthday party on page 56!

Dear Susan,

Hi, and how is one of my favorite Partridges? I think your show is just sensational! I really don't have any questions, but I felt like writing. Keep up the good work!

Laurie Shaw  
Hopedale, Ill.

Dear Laurie,

Thank you for your very nice letter. I'm doing fine and hope you are too! I'm glad to hear you enjoy the show. Be sure to keep watching it because we have some really exciting episodes coming up!

Dear David,

If it's not too personal on my part to ask, I'd like to know what you did on your 21st birthday? Thank you.

Donna Bricker  
Clatskanie, Ore.

Dear Donna,

It's not too personal at all; I'm glad you asked! Actually, my birthday turned out being a real surprise, because the staff of TiGER BEAT and FaVE had a party for me! I spent hours at the Laufer Co. offices just opening presents and cards that came in the mail, and the cake they served was out of this world! There's a write-up with pictures about my surprise party in the July issue of TiGER BEAT. If you missed that particular edition, see page 78 so that you can get a back issue. It's still not too late for you to join in the celebration!

Dear Susan,

Do you like to answer fan letters? How did you feel when you received your first one?
