DAVID CASSIDY called me before leaving on his six-week trip to Europe and I could tell from the sound of his voice just how excited he was. At the last minute, his roommate SAM was unable to make the trip, so DAVID was going alone. It may sound like a drag to you, but DAVID told me, "I need to just be alone for a while. Also, I'm looking forward to meeting the European people because to them I'm just another American tourist. They don't even know I'm an actor, let alone a so-called 'star.'" All I can say is I hope DAVID has the time of his life!

David off for Italy and Spain!

Before starting work on his "Mod Squad" appearance the last week in December, BOBBY took a little mini-vacation to Lake Tahoe to get in some skiing. He's always wanted to try the sport, but just never has been able to get away, so this year he took a jet to the popular winter resort and spent several days on the slopes! He came back with a fantastic suntan and looked really super!

Another skiing enthusiast is BARRY WILLIAMS. Most weekends you'll find him taking off for Mt. Baldy or Mam-

moth (both California ski resorts) and he doesn't come off the mountains until late Sunday night! This month BARRY begins a new kind of work—he'll be an assistant to the producer on a comedy movie that's being shot around Los Angeles. It's the first time for BARRY to work behind the camera and he's really thrilled about it!

Wow! Do I have some great news—the second oldest OSMOND—TOMMY—was married on January 13th to the former LYN HESLOP. TOMMY, who's 24, met LYN when she began working as VIRL'S secretary at the Fan Club headquarters in Salt Lake. LYN has beautiful blonde hair and blue eyes. She and TOMMY were married at the Mormon Temple in Salt Lake and all the OSMONDS were there to share in the joy! Our heartfelt congratulations to the newlyweds!

As of Jan. 13—Tommy & Lyn Osmond.
