

DAVID CASSIDY: INFANT TO IDOL!

PART III

**the whole story
as only his mom could tell it!**

What better way is there to find out all about David than by asking his mom? That's just what we did, and here, in her own handwriting, David's beautiful mother, actress Evelyn Ward, answers all your personal questions about her son!

What was your first reaction when you saw your new-born son the very first time you held him in your arms?

It was an experience I shall never forget. To me, he was the most beautiful baby in the whole world. From that moment—our relationship started and has been a beautiful and rewarding experience for me.

Did David ever discuss his deepest feelings with you? For example, expressing loneliness or unhappiness?

Yes. He has always had the ability to express how he feels. I think this is very important in life.
