Dear Sharon,

I think your magazines are GREAT, especially this one, but there is one exception. When you talk about David Cassidy's concerts, you always say the age of the kids that show up are between 8 and 15 years old. That is wrong! I have been to three of David's concerts and all the girls were much older than 8. Stop treating David like a child, remember he's a 21 year old man.

#### TO DAVID AND SUSAN

Roses are red, violets are blue  
I don't see why people have to  
Make rumors about  
you two.

#### DANNY-DELUXE

His hair is adorable  
His eyes are cute  
His freckles are darling  
His smile is SUPER too!

P.S. Give Danny  
all my love.

A Great Admirer

#### STUCK-UP

This is to the stuck-up girl who wrote to David Cassidy saying he was conceited. Do you know what you did? Do you know that David tries to make

his fans happy and show them that he loves them? It really hurts him to know that he hasn't pleased someone. Do you really think that he would go all over the place singing and wearing himself out for nothing? If he didn't love his fans, then why would he do all he has done for them?

Cassidy Lover

#### RIGHT ON THE FRONT

The other day when I picked up the current issue of Life Magazine, I flipped! There was David Cassidy right on the front cover. To all the girls who say David is a phony, Life Magazine doesn't think so.

#### WHAT I LIKE

I love the Partridge Family because they are always on the go and always exciting. I look a little bit like Shirley, but I am only 10. My girlfriend looks like Susan Dey. I read all of the Partridge Family Magazines, and I know just about all of the Partridge songs. I love David's smile, Danny's freckles, Susan's hair, Suzanne's cheeks, Brian's looks and Shirley's looks.

Dearest David,

I do not like people who write false stories about such a fantastic person. My David, I cherish you with all my heart and I only believe what you say in the "Official Tiger Beat Partridge Magazine."

Your Beloved,

#### THE LIVING DOLL!

When I heard Jeremy Gelbwaks was moving and would be leaving the show, I felt so terrible. But when I saw the new Partridge, Brian Forster,

I flipped. WOW!

Dear Sharon,

I watched the Glen Campbell show on October 26 and David Cassidy was on. I thought he was so cool when he sang "I Think I Love You" and I wish that they would sing it more often on The Partridge Family. I try to get Tiger Beat's Official Partridge Family Magazine every single month and I have already joined the fan club. Please try and print this in the magazine as soon as possible.

#### SHIRLEY THE QUEEN

I am desperately in love with Shirley Jones. I watch the Partridge Family every Friday night just so I can see Shirley. I think she is so beautiful and she will reign in my heart as a queen.

#### THE CUTEST

##### S & S

Susan Dey and Suzanne Crough are the two cutest girls I have ever seen with the name Susan and Suzanne. I use to not like the name Susan or any form of it, but since these two girls arrived on the scene, it has been my favorite and I might even name my little girl that when I grow up.
