

# DAVID'S FIRST ALBUM FOR YOU!

CONTINUED  
FROM PAGE 11

Just when you said,  
"Wow, what have we here,"  
You ran into someone else's arms child  
And I love you I love you I love you  
My darlin' dear

I was running in the opposite way  
When you wanted me I didn't want you baby  
Running in the opposite way  
Now it's me who's wanting you today  
But you're running in the opposite way  
Hey Hey Hey Hey

## IT'S ALL IN YOUR MIND

You can be what you feel  
Life is a ferris wheel  
Come take a ride, it's on the inside  
Where you will find  
It's all in your mind.

Listen, listen, you take  
A friend of mine  
He was sad all the time  
Then he got smart,  
Oh he opened his mind  
And it helped him to find  
It's all in his mind  
It's all in your mind  
It's all in your mind.

Listen, listen, it doesn't  
Matter at all  
Who you are or what you need  
Just take a look inside  
Inside you'll find  
It's there in your mind  
Baby it's all in your mind

Who needs money in a  
Land of milk and honey  
I'll tell you one more time  
You'll find it in your mind  
Baby it's all in your mind

Listen, listen, you can  
Be what you feel  
Life isn't really real

it's up or down  
Put your feet on the ground  
And maybe you'll find  
It's all in your mind  
It's all in your mind  
It's all in your mind

And repeat to end

## COULD IT BE FOREVER?

Could it be forever  
Or is my mind just a ramblin' on  
Well I touched you once  
And I kissed you once  
Now I feel like you're mine  
Well I feel like you're mine  
And I see in your face I'm not wrong.  
To have these feelings

Well I feel like you're mine  
I've never known no time before  
That's had so many meanings

Could it be forever  
Or am I just a wasting time  
Well I don't think so cause  
You let me know you make me  
Feel like you're mine

Well I feel like you're mine  
And I can't remember  
When the feelin's have been stronger  
And all I know's I can't let go  
I wanna be with you  
Just a little bit longer

All my feelings come together  
All of me is here  
Never known when I've felt better  
I know this won't disappear

But could it be forever  
Or is my mind just a ramblin' on  
Well maybe it is and if it is  
Then I'll be movin' on.

## WHERE IS THE MORNING?

I can't sleep to night  
I found someone  
You smiled at me and said  
You were free  
I was alone  
Would we meet again.

You needn't have asked  
I'll wait for you at dawn  
If this night will only pass  
But the clock hands  
Refuse to move

It's dark inside my room  
It must be daylight soon  
Where is the morning?

I can't believe  
All my dismay  
Just had to pack and leave  
When at last you looked my way  
And so to bed  
But not to sleep

It's only morning light  
That will end  
This watch I keep  
But the stars shining  
Cross the land  
Don't seem to understand  
How things get out of hand  
Where is the morning?

But the clock hands  
Refuse to move  
It's dark inside my room  
It must be daylight soon  
Where is the morning?  
Where is the morning?
